A. Reason for the waiver/deregulation request (be specific).

Our Library Media Specialist retired this year. We request a one-year deregulation to find and hire a new librarian for our school. During the past school years, the school staffed the library with a half-time librarian and a full-time assistant. The full-time assistant is a highly responsible person and handles the responsibility of the library with great efficiency. She ensures that students and staff have access to the library and its resources throughout the regular day by scheduling every class a library period. She is also available to assist them during other times. She has been an employee of the school for several years, so she is very effective at collaborating with teachers to help them with units of instruction and implementing library resources into their lessons. We ask for the deregulation to give us time to find a part-time librarian or re-employ the retired librarian when she becomes eligible for rehire without impacting her retirement.

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

Zion School will advertise for a part-time librarian; however, the summer search has not been successful. We will continue to look for a certified librarian to fill the position or identify a teacher that will work towards the certification. The deregulation will be a cost-effective way to cover the much-needed position until a person can be hired. In the meantime, the library will remain open and available to students, teachers, staff and the community under the supervision of a full-time library assistant that has demonstrated ability and dedication to the position. Because the library will remain open and in use by all students, there will be no loss of educational benefits or student achievement due to the deregulation.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

Zion School has one site that serves 320 PK-8th grade students. The library will remain open and staffed by a very capable library assistant that is experienced and actively involved in the school. Because the library will remain open and in use by all students, there will be no loss of educational benefits or student achievement due to the deregulation.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary, or described in instructions.

A waiver/deregulation can be granted for up to 3 years. (Please see instructions for additional requirements)

We are requesting a one-year deregulation in order to find a certified librarian. We will only reapply for deregulation if it is not successful. School started August 2. The library was opended and available to students and staff. A full-time library assistant created the attached library schedule.

E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.

The one-year deregulation will be a cost-saving measure for the school; therefore, creates a positive financial impact. It will save the school district half the salary of a teacher with a master's degree in library science. The funds will not be allocated for any specific purpose, but set-aside to hire a certified school librarian as soon as we find one.

F. Describe method of assessment or evaluation of effectiveness of the plan.

The method of evaluation of effectiveness of the plan to deregulate the staffing requirement for the library will be same as if we employed a library media specialist this year. For instance, did she do the following:

^{*}coordinate the evaluation of instructional materials and library books for school purchase,

^{*}review materials prior to selection for use in school,

^{*}maintain an adequate collection of resources for students and staff,

^{*}provide guidance for weeding library collections, and

^{*}review and evaluate library books and instructional materials.

^{**} You will be contacted if more information is needed to process this request.

Library Media Specialist (Open Until Filled)

JOB SUMMARY

The Library Media Specialist (LMS) will assist district efforts to improve reading achievement, lead, and support the implementation of instructional technology in classrooms. The LMS will support a positive culture that is conducive to learning and student growth by creating a Media Center that serves as the hub of the school and welcomes students, staff, families, and the community.

POSITION TYPE

Part-time: It is a half-day (0.5 FTE) LMS position in a PK-8 elementary school setting.

REQUIRED EDUCATION AND EXPERIENCE

- Master's degree from an accredited college or university [official transcript(s) required]
- Oklahoma state School Library Media Specialist certification

SUBJECT: Deregulation Request of OAC 210:35-5-71 – Library Media Services Elementary

School

Zion School is submitting a request for a one-year deregulation of OAC 210:35-5-71 – Library Media Services Elementary School. Zion's Library Media Specialist retired at the end of the school year after many years of service. We are requesting the one-year deregulation to give us time to find and hire a new librarian for our school. During the past school years, the school staffed the library with a half-time librarian and a full-time assistant. The full-time assistant is a highly responsible person and handles the responsibility of the library with great efficiency. She ensures that students and staff have access to the library and its resources throughout the regular day by scheduling every class a library period. She is also available to assist them during other times, including before and after school. She has been an employee of the school for several years, so she knows the staff and students quite well. She is very effective at collaborating with teachers to help them with units of instruction and implementing library resources into their lessons. We ask for the deregulation to allow time to find a part-time librarian or re-employ the retired librarian when she becomes eligible for rehire without impacting her retirement. Another future option is that one of our classroom teachers has expressed interest in pursuing a degree in library media. If she commits to working on her LMS degree and certification, we will submit a request for a statutory waiver.

Thank you for consideration of our request.

*Original signatures are required. The attached ques	tionnaire must be answered to process.**	NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?
 Elk City Schools has not been able to employee a certified librarian since it opened in January 2018. At that time the district was able to hire a library aide that handles the day to day operation of the library while being mentored by a certified librarian from another site. Elk City lost its last certified librarian to retirement in the Spring. At the present time the district can not find a certified librarian nor do we have a staff member working toward certification. Currently, there are 700 elementary students that benefit from having a fully functioning library media center under the direction of our library aide.
- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.
 The site principal ensures the library is open and functioning as needed by setting schedules for the library aide and assisting the library aide as needed. Because the library aide has been in this role for multiple years she is well versed in inventorying books, children's literature, acquisition of books, and the role of an elementary library in the educational setting. The library aide has set times for each class to check out and in library books, holds story time, plans special library events such as book fairs and lego leagues, the library aid assist teachers with media/technology, and leads weekly STEM lessons. Without our library aide or this waiver teachers would be responsible for students use of the library which would ultimately mean it would not be used as a resource to teachers or students. The educational benefits of our students have not diminished with the use of a library aid, and have increased in the area of STEM
- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?
 - Yes the district has been awarded a deregulation before. Research shows that access to books from an early age increases reading levels. Without the central library students would be limited to small classroom libraries. Because this district no longer has any certified librarians this deregulation has no effect on other sites in the district.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The library aide starts work prior to the beginning of the school year to ensure the library is ready for teacher and student use by the second full week of school and remains open until the end of school. Weekly STEM lessons start Wednesday, Sept. 8. The week following Labor Day students begin to visit the library according to a weekly schedule.

The library is open from 8:15 to 2:45 daily.

E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

The request for the waiver has to do with the lack of certified librarians more than with financial impact. The districts location is far enough west that we do not attract many from the metro area, and area colleges have done away with the library science program. We simply can not find a certified librarian. However, having and aid in place of certified staff has allowed the district to keep staffing at its current level in other places and continue to purchase needed items.

F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The site principal uses feedback from staff end of year meetings to determine the effectiveness of the library services and schedule. A conference between the principal and library aide provide more data about the effectiveness of the current library plan.

The District Curriculum Director works with all librarians and aids to develop a budget for the year. The director also approves library schedules and performs occasional walkthroughs to see that libraries are meeting the needs of students. FastBridge, OSTP, and formative assessments are used to determine student growth in the area of reading.

Oklahoma City, OK 73105-4599

Dear Lynn Jones:

Elk City Public Schools Board of Education approved the attached deregulation at our August board meeting. Library services for PK-3 grade students will be provided by a library aide. Mrs. Carpenter has served in this capacity for several years. Services have improved and expanded under her leadership.

Our district partners with the Carnegie (city) Library to allow students access to all city library resources in addition to district resources. The city librarian works with Mrs. Carpenter to provide resources and information. Mrs. Carpenter will work to align services to AASL, Information Literacy Standards, and the Future Ready Library Frameworks.

This deregulation allows our students the opportunity to access quality library services. Teachers are provided multimedia support also.

I would like to thank you for the opportunity of granting Elk City Schools a library deregulation for Elk City Elementary (PK-3) site.

Sincerely,

Mike Sparks, Superintendent

Elk City Public Schools

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?
 - Elk City Middle School is seeking a OAC 210:35-7-61 deregulation for a certified English teacher to continue providing library services. Due to a lack of certified librarians and teacher Elk City High School hired a certified teacher to run all aspects of the library a year ago. In that time the teacher received guidance and oversight from a certified librarian that has now retired. In the time she has been in this capacity the library has moved to offering e Books and has updated the book collection. Library services have not decreased in any manner and continue to move forward. The teacher will teach 2 hours of honors English. During her teaching time the library will remain available to students and staff.
- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.
 - The site principal ensures the library is open and functioning as needed by setting schedules for the teacher and assisting as needed. The certified teacher assist students with literary circles, research projects. Students have access to a 3D printer, laster engraver and maker space. The educational benefits of our students have not diminished with the use of a certified teacher serving as a librarian, and have increased in the area of on-line resources.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?
 - Yes the district has received this deregulation in the past. The deregulation has allow the middle school to continue to provide library services to students and staff on a full time basis.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The teacher starts work prior to the beginning of the school year to ensure the library is ready for teacher and student use by the second full week of school and remains open until the end of school.

The library follows the school calendar and is open from 8:15 to 3:25 daily.

E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

The request for the waiver has to do with the lack of certified librarians and financial impact. The districts location is far enough west that we do not attract many from the metro area, and area colleges have done away with the library science program. We simply can not find a certified librarian. However, having a certified teacher in place has allowed the district to keep staffing at its current level in other places and continue to purchase needed items in spite of a very tight budget.

F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The site principal uses feedback from staff end of year meetings to determine the effectiveness of the library services and schedule. A conference between the principal and teacher provide more data about the effectiveness of the current library plan.

The District Curriculum Director works with all librarians and aids to develop a budget for the year. The director also approves library schedules and performs occasional walk throughs to see that libraries are meeting the needs of students. Logs of library use and book checkout reports will be monitored to watch for changes in library usage.

^{**} You will be contacted if more information is needed to process this request.

Dear Lynn Jones:

Elk City Public Schools Board of Education approved the attached deregulation at our August board meeting. Library services for 7-8 students will be provided by an English certified teacher. This will be Mrs. Keyes' second year to serve in this role. In that time she has added eBooks to the collection and increased the media services provided.

Our district partners with the Carnegie (city) Library to allow students access to all city library resources in addition to district resources. Mrs. Keyes is working to align services to AASL, Information Literacy Standards, and the Future Ready Library Frameworks. She attends PLC meetings to collaborate with teachers on instructional support the library can provide.

This deregulation allows our students the opportunity to access quality library services. Teachers are provided multimedia support also.

I would like to thank you for the opportunity of granting Elk City Schools a library deregulation for Elk City Middle School (7-8) site.

Sincerely,

Mike Sparks, Superintendent

Elk City Public Schools

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?
 - Elk City Intermediate School is seeking a OAC 210:35-5-71 deregulation for an emergency certified teacher to continue providing library services. Due to the recent retirement of our district last certified librarian and a lack of certified librarians in our area. The person we have hired has a degree in marketing and communications; she is well verses in technology. She has spent this summer learning the library standards and researching children's literature. She has already began updating the collection and creating a library environment that meets todays standards. She is going to be a great addition to our staff.
- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.
 - The site principal ensures the library is open and functioning as needed by setting schedules for the teacher and assisting as needed. The library teacher, Ms. McConnell will provide library lessons, oversee multimedia resources for teachers, and be responsible for the day to day running of the library. She will also incorporate a maker space. The educational benefits of our students will not diminished with the use of a certified teacher serving as a librarian, and will increased in the area of on-line resources, research, and technology.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?
 - No the district has not requested this deregulation before. Prior to this year the site had a certified librarian. When she retired the district had no applications for this position.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The teacher starts work prior to the beginning of the school year to ensure the library is ready for teacher and student use by the second full week of school and remains open until the end of school.

The library follows the school calendar and is open from 8:15 to 3:25 daily .

Oklahoma City, OK 73105-4599

Dear Lynn Jones:

Elk City Public Schools Board of Education approved the attached deregulation at our August board meeting. Library services for 4-6 students will be provided by an emergency certified teacher working on alternative certification. We feel that her background in communication, literature, and technology will help improve our current library.

Our district partners with the Carnegie (city) Library to allow students access to all city library resources in addition to district resources. The city librarians has offered to mentor Mrs. McConnell and provide training. Mrs. McConnell will work to align services to AASL, Information Literacy Standards, and the Future Ready Library Frameworks.

This deregulation allows our students the opportunity to access quality library services. Teachers are provided multimedia support also. In the short time Mrs. McConnell has been with us; she weeded out and updated the collection, rearranged the library to include more STEM and Maker Space activities, and worked with teachers concerning library use schedules.

I would like to thank you for the opportunity of granting Elk City Schools a library deregulation for Elk City Intermediate (4-6) site.

Sincerely.

Mike Sparks, Superintendent

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?
 - Elk City High School is seeking a OAC 210:35-9-71 deregulation for a non-certified library aid to continue providing library services. Due to a lack of certified librarians and teacher Elk City High School hired a library aid to run all aspects of the library four years ago. In that time the library aid received guidance and oversight from a certified librarian that has now retired. The library aid runs all aspects of the library. In the time she has been in this capacity the library has moved to offering e Books, has received a grant for interactive screens, and has updated the book collection. Library services have not decreased in any manner and continue to move forward.
- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.
 The site principal ensures the library is open and functioning as needed by setting schedules for the library aide and assisting the library aide as needed. Because the library aide has been in this role for multiple years she is well versed in inventorying books, current fiction and nonfiction literature, acquisition of books, and the role of a library in the educational setting. The library aid collaborates with teachers and participates in PLC and district training to better meet the needs of our staff and students. The educational benefits of our students have not diminished with the use of a library aid, and have increased in

C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

the area on-line resources.

Yes the district has received this deregulation in the past. The deregulation has allow the high school to continue to provide library services to students and staff on a full time basis.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The library aide starts work prior to the beginning of the school year to ensure the library is ready for teacher and student use by the second full week of school and remains open until the end of school.

The library follows the school calendar and is open from 8:15 to 3:15 daily.

E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

The request for the waiver has to do with the lack of certified librarians and financial impact. The districts location is far enough west that we do not attract many from the metro area, and area colleges have done away with the library science program. We simply can not find a certified librarian. However, having and aid in place of certified staff has allowed the district to keep staffing at its current level in other places and continue to purchase needed items in spite of a very tight budget.

F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The site principal uses feedback from staff end of year meetings to determine the effectiveness of the library services and schedule. A conference between the principal and library aide provide more data about the effectiveness of the current library plan.

The District Curriculum Director works with all librarians and aids to develop a budget for the year. The director also approves library schedules and performs occasional walk throughs to see that libraries are meeting the needs of students. Logs of library use and book checkout reports will be monitored to watch for changes in library usage.

RECEIVED SEP 21 2021

DATE RECEIVED

OAC <u>210:35-5-</u>7/ LM Services

NAME OF WAIVER

*Original signatures are required. The attached questionnaire must be answered to process.**

A. Reason for the waiver/deregulation request (be specific).

Along with other actions in response to decreased revenue in 2018, we decided to staff the library that serves our district with a support staff member upon retirement of our Library Media Specialist. As a District, we understand the benefits of a Library Media Specialist. We advertised the vacancy of this position for this school year, but we did not have any applicants.

In our current plan, the library assistant works with the classroom teachers and administrators to continue our reading program and other library services. This staffing plan also ensures that the library remains open from 8:00 AM to 3:30 PM for students to check-out and return books.

Deregulation is requested for OAC 210:35-5-71, OAC 210:35-7-61, and OAC 210:35-9-71.

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

The library will be staffed with a full-time library assistant. Classroom teachers will also accompany students while in the library. Elementary school self-contained classrooms will have scheduled visits to the library once per week with students also allowed to visit the library as needed. Middle school and high school students will visit the library during reading or language arts class and during homeroom. We will continue our successful reading incentives program.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

Student research will continue in the library. Students will continue to check-out books, read for enjoyment, and study in the library. Elementary classes will follow the same schedule as in the past, and we will have weekly visits when the library assistant will read aloud to them. The library will continue to be available for Accelerated Reader testing and quizzes, although most of this is done on electronic devices in the classroom.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary, or described in instructions.

A waiver/deregulation can be granted for up to 3 years. (Please see instructions for additional requirements)

The assistant will be assigned to the library on a full-time basis. The library will be open from 8:00 AM to 3:30 PM. The staffing of the library will be evaluated at the end of the school year.

E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.

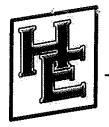

By staffing the library with an assistant rather than a certified library media specialist, our school district will save approximately \$36,900.

The difference in costs will be used to purchase library books, pay subscription fees for digital book access for students, and pay for online reading assessment, remediation, and enrichment programs.

F. Describe method of assessment or evaluation of effectiveness of the plan.

At the end of the 2021-2022 school year, teachers and students will be surveyed to assist in determining the effectiveness of having an assistant in the library instead of a certified library media specialist. We will also compare our state testing program reading scores and Accelerated Reading reports to those of previous years.

^{**} You will be contacted if more information is needed to process this request.

HYDRO-EAKLY PUBLIC SCHOOLS

Challenging Students to Achieve a Productive Future of Excellence!

Jeremy Bussey Superintendent **Lora Burch** Secondary Principal Jeremy Tharp
Elementary Principal

9/13/2021

To the Oklahoma State Board of Education:

Hydro-Eakly Public Schools (08-I011) requests deregulation from Oklahoma Administrative Code 210:35-5-71, OAC 210:35-7-61, and OAC 210:35-9-71 (Library Media Services) for the elementary, middle school, and high school sites, respectively, which are all served by the same library.

We advertised our Library Media Specialist position this year, but had no response. We understand the educational importance of a library program managed by a certified librarian. However, we plan to staff the library with a full-time library assistant who will work closely with classroom teachers and administrators to continue an effective library program. We have purchased an online library subscription for each of our Pre-K through 8th Grade students.

Thank you for considering this request.

Sincerely,

Jeremy Bussey, Superintendent

*Original signatures are required. The attached questionr	naire must be answered to process.**	NAME OF WAIVER

A. Reason for the waiver/deregulation request (be specific).

The District seeks permission to deregulate the requirement for a full time library media specialist and a library assistant for Dimensions Academy. Norman Public Schools is seeking a one-year waiver to Standard VII concerning staffing of the alternative school's library media center. This waiver allows Norman Public Schools to provide limited library services in a time of national and state funding constraints. Services will be provided by a school librarian for 5 hours each month during the school year. Waiver requested for OAC 210:35-5-71, OAC 210:35-7-61 & OAC 210:35-9-71.

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

The school librarian will provide limited library experiences for the students at Dimensions Academy. These services will include co-teaching, instruction in library information skills, reader's advisory, book selection, technology skills, literacy endeavors, and guided inquiry design.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

Library services at Dimensions will be limited.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary, or described in instructions. A waiver/deregulation can be granted for up to 3 years. (Please see instructions for additional requirements)
August 2021-May 2022: The librarian will schedule library services for Dimensions as he plans with teachers to match the students' point of need as much as possible. Library is open for materials self-checkout during the school day on days that school is in session.
E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.
Allows District to focus funding where needed in a budget shortfall year.
F. Describe method of assessment or evaluation of effectiveness of the plan.
The District will regularly reassess its budget as the year progresses to determine if an assistant can be assigned to Dimensions and librarian services can be increased. The Dimensions librarian will be required to provide an annual report that reviews yearly library program progress and the relationship to learner achievement and success.

^{**} You will be contacted if more information is needed to process this request.

1. Approve Bart Keeton to be an adjunct instructor for Leadership at Norman North High School and Norman High School for the 2021-2022 school year.

2, Approve Emily Deardorf to be an adjunct instructor for Family Consumer Science at Dimensions North Academy for the 2021-2022 school year.

State Department of Education Expenditure Claim Signature Requirements

The Oklahoma State Department of Education requires the summary and detail expenditure claim reports must be signed by the Superintendent or a representative authorized by the local board of education. For Norman Public Schools, the Board of Education authorizes the Superintendent to appoint the Federal Programs Director, the Director of Special Services, the Chief Financial Officer, the Director of Finance, the Assistant Treasurer, and/or the district administrator overseeing the area of expenditure to sign the expenditure reports for the district.

A Deregulation on the Staffing Requirement for Library Media Services for Whittier Middle School for the 2021-2022 School Year

Norman Public Schools is seeking a one-year waiver to Standard VII concerning staffing of the school library media center at Whittier Middle School. This waiver allows Norman Public Schools to provide quality library services in a time of national and statewide shortages of certified Library Media Professionals with a certified teacher with extensive classroom experience.

A Deregulation on the Staffing Requirement for Library Media Services for Dimensions Academy for the 2021-2022 School Year

Norman Public Schools is seeking a one-year waiver to Standard VII concerning staffing of the school library media center at Dimensions Academy. This waiver allows Norman Public Schools to provide quality library services in a time of national and statewide shortages of certified Library Media Professionals with a certified teacher with extensive classroom experience.

A Deregulation on the Staffing Requirement for Library Media Assistants for Adams Elementary School, Cleveland Elementary School, Eisenhower Elementary School, Kennedy Elementary School, Reagan Elementary School, Roosevelt Elementary School, Washington Elementary School, Alcott Middle School, Irving Middle School, Longfellow Middle School and Whittler Middle School for the 2021-2022 school year Norman Public Schools is seeking a one-year waiver to Standard VII concerning staffing requirement for library assistants for the school library media centers at Adams Elementary School, Cleveland Elementary School, Eisenhower Elementary School, Kennedy Elementary School, Reagen Elementary School, Roosevelt Elementary School, Washington Elementary School, Alcott Middle School, Irving Middle School, Longfellow Middle School, and Whittler Middle School.

A Deregulation on the Staffing Requirement for Library Media Services for Jefferson Elementary School for the 2021-2022 School Year

Norman Public Schools is seeking a one-year waiver to Standard VII concerning staffing of the school library media center at Jefferson Elementary School. This waiver allows Norman Public Schools to provide quality library services in a time of national and statewide shortages of certified Library Media Professionals with a certified teacher with extensive classroom experience.

New Business: New business refers to any matter not known about or which could not have been reasonably foreseen prior to the time of posting of the agenda. Okla. Stat. tit. 25 § 311(A)(9). There was no new business presented at this meeting.

Administrative Staff Reports

Dr. Nick Migliorino spoke on the following topics:

-Fall Sports and Fine Arts activities

-Pre-enrollment numbers

-Bond Projects

-Upcoming school year communications from principals

-State Standards and CRT

Board of Education Reports

There was no Board of Education Report.

Vote to go into executive session to discuss Candidates for the position of Assistant Principal at Madison Elementary School after which the Board will return to open session to vote concerning this item. Pursuant to executive session authority: 25 OKLA. STAT. § Section 307(B)(1) and (7).

6: 27 PM Motion to go into executive session pursuant to executive session authority to discuss employment matters as listed on the agenda under section 5 items A-R. This motion, made by Cindy Nashert and seconded by Chad Vice, Passed.

Linda Sexton: Absent, Cindy Nashert: Yea, Dirk O'Hara: Yea, Dan Snell: Yea, Chad Vice: Yea

Vote to Return to Open Session

6:39 PM Motion to return to open session. This motion, made by Cindy Nashert and seconded by Chad Vice,

Linda Sexton: Absent, Cindy Nashert: Yea, Dirk O'Hara: Yea, Dan Snell: Yea, Chad Vice: Yea

Statement of the Executive Session Minutes

Dr. Dan Snell stated that the Board convened in executive session for the purpose of discussing Candidates for the position of Assistant Principal at Madison Elementary School. The Board was joined in executive session by Superintendent Dr. Nick Migliorino, Associate Superintendent Holly Nevels and Director of Educational Services Holly McKinney. No other matters were discussed and no votes were taken while in this closed session. This concludes the minutes of the executive session.

Vote regarding the employment, hiring, appointment and naming of the Assistant Principal at Madison

Elementary School

Dr. Nick Migliorino made the recommendation to hire Hannah Stinson as the Assistant Principal Intern at Madison Elementary School. Motion to hire Hannah Stinson as the Assistant Principal Intern at Madison Elementary School. This motion, made by Cindy Nashert and seconded by Chad Vice, Passed. Linda Sexton: Absent, Cindy Nashert: Yea, Dirk O'Hara: Yea, Dan Snell: Yea, Chad Vice: Yea

Adjournment

6:41 PM Motion to adjourn. This motion, made by Cindy Nashert and seconded by Chad Vice, Passed. Linda Sexton: Absent, Cindy Nashert: Yea, Dirk O'Hara: Yea, Dan Snell: Yea, Chad Vice: Yea

Norman Public Schools Norman, Oklahoma Support Personnel Report July 12, 2021

Respectfully Submitted, Superintendent

Norman Public Schools

131 South Flood Avenue Norman, Oklahoma 73069 www.normanpublicschools.org

June 16, 2021

Accreditation/Standards
Oklahoma State Department of Education
2500 N. Lincoln Blvd.
Oklahoma City, OK 73105

To Accreditation Division:

The District seeks permission to deregulate the requirement for a full time school librarian and a library assistant at Dimensions Academy. This waiver allows Norman Public Schools to provide limited library services in a time of national and statewide shortages to Dimensions Academy. Services will be provided for 5 hours each month during the school year.

The school librarian will provide limited library experiences for the students at Dimensions Academy. These services will include co-teaching, instruction in library information skills, reader's advisory, book selection, technology skills, literacy endeavors, and guided inquiry design. The librarian will schedule library services for Dimensions as he plans with teachers to match the students' point of need as much as possible.

This waiver allows us to provide the limited services of a highly qualified school librarian for our alternative school. As Dimensions Academy serves students from elementary, middle and high school, we respectfully seek a one-year Statutory Waiver to: OAC 210:35-5-71, OAC 210:35-7-61, and OAC 210:35-9-71.

Sincerely,

Dr. Nicholas Migliorino, Superintendent

Mission: To prepare and inspire all students to achieve their full potential **Values:** Integrity | Inclusiveness | Collaboration | Optimism

A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your walver was to be denied?

Kansas Public Schools is requesting Library Media Services Deregulation due to enrollment changes at the Elementary Site.

B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

The District is proposing an alternate plan to staff the Elementary Library with 1 full time teacher aide to assist with book check out and shelving of library books and a Library Media Specialist to cover library story times 3 hours a day. Educational benefits are offering library services to increase student involvement in reading thus increasing student performance, offering research materials to students for class projects or assignments and offer teachers access to materials for lessons.

C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Educational impact will be a positive one--students are encouraged to fully utilize the library for reading books for pleasure and for research. Offering a variety of books for all elementary ages to read for pleasure and research will aid in increasing student performance in reading as well as other core subjects. The teacher aide and Library Media Specialist will consult in activities and other needs for teacher and students.

D.	Timeline: Please submit class schedule, calendars, assessment forms and other attachments as
	necessary.

School calendar and library schedule attached.

E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

Financial impact on District could be negative if the Deregualtion is not granted due to the need of hiring more employees to cover library.

F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Administration from all sites will observe and document effectiveness of the plan. They will address any concerns by parents, staff or Library Media Specialist to ensure students are receiving services to foster achievement in their educational path.

^{**} You will be contacted if more information is needed to process this request.

*Original signatures are required. The attached questionnaire must be answered to process.**

A. Reason for the waiver/deregulation request.

Laverne schools is asking for a deregulation for our school libraries due to the fact that our previous librarian has resigned. The person we have hired, Cindy Gibson, is a graduate of Panhandle State University and has an older degree in Library Science. She will work both the High School and the Elementary School with the help of an aide. Both the libraries will be open the entire day for our students.

B. List alternate strategies, plans which the district site proposes, and how this plan will best serve the students of your district, i.e., description of the educational benefits to the students and learning achievement.

Although we do not have a certified librarian, our library will meet the needs of our students. The previous librarian played a key role in helping the new librarian get orientated into our system. We also have two volunteer aides who are instrumental in keeping up the standards of our library program. Together reading programs and other activities involving the library have been developed and implemented. Students will continue to be able to use the library and be given help when needed. We have set up a library section on our school website that allows students to complete research assignments as well as provide information on careers and scholarship opportunities. As always, our library provides an environment that is conducive to studying, reading, and learning in general.

C. Education impact to the district.

Obtaining this waiver/deregulation will enable us to provide our students with the necessary resources that will enhance their educational careers. Without the library, our students would find it more difficult to complete research assignments as well as obtain materials that would increase their reading comprehension and critical thinking skills. The library also provides our teachers with valuable resources that are needed in order to prepare our students for higher education or for entering the workforce.

D. Timeline.

Library media services will be available throughout the school day. We will not only use the librarian, an aide, and two volunteer aides, but also will utilize staff members with the different classes. This allows us to monitor student involvement and gives us reliable data for evaluation purposes.

E. Any financial impact to the District.

We have been able to improve our technology, on-line options and multiple media services and spend less in salaries. We feel it has been and will continue to be more beneficial for students and better use of funds.

F. Describe method of assessment or evaluation of effectiveness of the plan.

At the end of each nine week period, the plan will be assessed and evaluated by the administration along with the teachers to ensure that our students have the materials that they need in order to be successful readily available. Monitoring and data collection will be ongoing throughout the school year.

nstruction page for additional for a three year request

A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Due to reassignment of personnel resulting from resignation of our previous librarian, our existing part-time librarian has been assigned to cover an elementary class preventing her from being stationed in the library for the half day.

The librarian is still available before, after, and during school as necessary to oversee the operation of the library and will be compensated for such. An experienced library aide has been assigned to assist in the library for the duration of the school day.

OAC 210:35-5-71 and OAC 210:35-9-71 (Library is shared between sites.)

B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied. The alternative plan which the site proposes is utilizing the librarian in both the library and as a classroom teacher. The librarian is a certified elementary teacher with 13 years of classroom experience.

This plan allows our students the opportunity to have an exceptional elementary teacher and a creative librarian who makes the library an inviting facility of learning.

Students will in no way be restricted access to our library, and having a full-time aide in the library will also make the library more accessible. Formerly, the librarian taught a few classes in the library which restricted usage. This plan provides improved access to the library and its resources.

C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Yes, the deregulation has been awarded before. Deregulation has allowed the library to now be available during the full day versus parttime.

The librarian has a history of high achievement on STAR, DIBELS, and other reading assessments. Utilizing her in the classroom helped the elementary school get off the Priority school list. Finding another teacher of her quality would be close to impossible.

D.	Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary. The library is manned from 7:45 until 3:30 by the full-time library aide. The certified librarian comes to the library 7th period to confer with the aide as needed as well as before and after school.
Ε.	Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated. The proposed deregulation of library media services has a positive financial impact by preventing the district from having to hire an additional librarian. The saved funds are reallocated to library book checkout/in software and enrichments such as Art.
F.	Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc. The number of checked out books are compared at the end of the year to the previous year in order to ensure consistent or growing library usage. Participation in Reading Counts is also closely evaluated.

 $[\]ensuremath{^{**}}$ You will be contacted if more information is needed to process this request.

McCURTAIN PUBLIC SCHOOL Regular School Board Meeting Minutes July 12, 2021 McCurtain Public School Library 7:00 p.m.

The meeting was called to order and roll call was taken by Chairman. Those members present for the meeting were: Kim Satterfield, Weston Lovell, Brent Moffett and Jeff McClellan. Those members absent were Derek Lane. Others present for the meeting were: Deward Palmer and Teri Cooper.

A motion to approve the June 29, 2021 special school board meeting minutes was made by Brent Moffett and seconded by Kim Satterfield. Vote as follows: Kim Satterfield, yes; Jeff McClellan, yes; Weston Lovell, abstain; and Brent Moffett, yes. Motion carried.

A motion to enter in to proposed executive session pursuant to 25 O.S. 307 (B)(1) to consider resignation was made by Brent Moffett and seconded by Kim Satterfield. Vote as follows: Kim Satterfield, yes; Jeff McClellan, yes; Weston Lovell, yes; and Brent Moffett, yes. Motion carried.

Entered into executive session at 7:10 p.m.

Acknowledge board's return to open session at 7:30 p.m.

Those present in executive session were: Kim Satterfield, Jeff McClellan, Weston Lovell, Brent Moffett and Deward Palmer. No action was taken.

A motion to accept Curt Goff's resignation was made by Kim Satterfield and seconded by Jeff McClellan. Vote as follows: Kim Satterfield, yes; Jeff McClellan, yes; Weston Lovell, yes; and Brent Moffett, yes. Motion carried.

A motion to accept applications for Ag Teacher for FY 2021-22 was made by Weston Lovell and seconded by Brent Moffett. Vote as follows: Kim Satterfield, yes; Jeff McClellan, yes; Weston Lovell, yes; and Brent Moffett, yes. Motion carried.

A motion to approve payroll warrants (28-44) was made by Kim Satterfield and seconded by Jeff McClellan. Vote as follows: Kim Satterfield, yes; Jeff McClellan, yes; Weston Lovell, yes; and Brent Moffett, yes. Motion carried.

A motion to approve general fund encumbrances (1-74, 50000-50038) was made by Weston Lovell and seconded by Brent Moffett. Vote as follows: Kim Satterfield, yes; Jeff McClellan, yes; Weston Lovell, yes; and Brent Moffett, yes. Motion carried.

A motion to approve building fund encumbrances (1-5) was made by Brent Moffett and seconded by Weston Lovell. Vote as follows: Kim Satterfield, yes; Jeff McClellan, yes; Weston Lovell, yes; and Brent Moffett, yes. Motion carried.

A motion to approve the activity fund custodian's report was made by Kim Satterfield and seconded by Jeff McClellan. Vote as follows: Kim Satterfield, yes; Jeff McClellan, yes; Weston Lovell, yes; and Brent Moffett, yes. Motion carried.

A motion to approve deregulation of Library Media Services (OAC 210:35-5-71 and OAC 210:35-9-71) for FY 2021-2022 was made by Weston Lovell and seconded by Kim Satterfield. Vote as follows: Kim Satterfield, yes; Jeff McClellan, yes; Weston Lovell, yes; and Brent Moffett, yes. Motion carried.

A motion to approve a statutory waiver for the Alternative Education Coop Agreement (70 O.S. 1210.568) for FY 2021-2022 was made by Weston Lovell and seconded by Brent Moffett. Vote as follows: Kim Satterfield, yes; Jeff McClellan, yes; Weston Lovell, yes; and Brent Moffett, yes. Motion carried.

A motion to approve using 1080 hours for calculating the FY 2021-2022 school term was made by Weston Lovell and seconded by Kim Satterfield. Vote as follows: Kim Satterfield, yes; Jeff McClellan, yes; Weston Lovell, yes; and Brent Moffett, yes. Motion carried.

A motion to approve high school students to participate in and receive credit for concurrent enrollment for FY 2021-2022 was made by Weston Lovell and seconded by Kim Satterfield. Vote as follows: Kim Satterfield, yes; Jeff McClellan, yes; Weston Lovell, yes; and Brent Moffett, yes. Motion carried.

A motion to approve a revised dress code policy was made by Brent Moffett and seconded by Jeff McClellan. Vote as follows: Kim Satterfield, yes; Jeff McClellan, yes; Weston Lovell, yes; and Brent Moffett, yes. Motion carried.

A motion to approve the FY 2021-2022 student handbook was made by Jeff McClellan and seconded by Kim Satterfield. Vote as follows: Kim Satterfield, yes; Jeff McClellan, yes; Weston Lovell, yes; and Brent Moffett, yes. Motion carried.

A motion to approve a contract with Prosperity Therapy to provide Occupational Therapy and Physical Therapy for FY 2021-2022 was made by Kim Satterfield and seconded by Weston Lovell. Vote as follows: Kim Satterfield, yes; Jeff McClellan, yes; Weston Lovell, yes; and Brent Moffett, yes. Motion carried.

A motion to approve authorizing the Superintendent, Deward Palmer, to serve as the school board's federal programs legal representative for the 2021-2022 school year was made by Kim Satterfield and seconded by Weston Lovell. Vote as follows: Kim Satterfield, yes; Jeff McClellan, yes; Weston Lovell, yes; and Brent Moffett, yes. Motion carried.

A motion to adjourn was made by Weston Lovell and seconded by Kim Satterfield. Vote as follows: Kim Satterfield, yes; Jeff McClellan, yes; Weston Lovell, yes; and Brent Moffett, yes. Motion carried.

Adjournment at 8:20 p.m.

RE: Deregulation of OAC 210:35-5-71 and 210:35-9-71 and

Waiver of 70 OS 1210.568

To Whom It May Concern,

On behalf of McCurtain Public Schools, I wish to request a deregulation of OAC 210:35-5-71 and OAC 210:35-9-71 in order to utilize a full-time library aide assisted by our certified librarian as needed to provide library media services while still utilizing the librarian in a classroom setting.

Also, we wish to request a statutory waiver of 70 OS 1210.568 in order to best serve our limited number of alternative education students without requiring them to ride a bus to another school to receive these services.

Thank you for your consideration on these issues. If you need any more information, please feel free to contact me at 918-945-7237 ext. 7 or by email at superintendent@mccurtainschools.org.

Sincerely,

Deward Palmer

Superintendent, McCurtain Public Schools

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?
 Holdenville Public Schools is requesting a deregulation for the Library media. Currently we have 3 sites. As of this request, we have on staff one certified library media specialist along with two reading specialist. I am requesting to use the one media specialist and on reading specialist along with one assistant of each of the 2 sites to cover our libraries. Due to the lack of available library media specialist, which we continue to pursue, it has become increasingly difficult to fill these positions
- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

The use of a certified reading specialist in conjunction with an assistant, our continued efforts to increase reading will allow our students the benefits of the library and a reading specialist. With the use of Reading specialist and assistance, the district will be able to have all three libraries open throughout each day for students to access.

C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Yes

We strongly feel the impact of using a reading specialist to help over see the libraries, along with the certified library media specialist to monitor progress and usage of the libraries will emencly benefit our students. Holdenville continues to seek various methods to improve reading performances for all our students.

The use of the formate, the 3 sites libraries will have access to a library media specialist and a reading specialist through out the week.

D.	Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.
E.	Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.
	The financial impact will be in a postive manner. The continued search for additional staff and hiring additional staff will undoubted add a financial burden to the district.
F.	Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.
	Once a month the library media specialist and library assistant will meet to assess library usage, address needs, and communicate findings to the administration for possible changes or needs within the district for scheduling, available time to use each library and amount of students using the library resources.
You	will be contacted if more information is needed to process this request.

September 13, 2021

Accreditation – State Department of Education 2500 N. Lincoln Blvd Oklahoma City, OK. 73105

aumfell

Holdenville Public Schools is requesting a deregulation for the Library Media Services within our district. The district currently has one full time Library Media Certified employee and is requesting to use Reading specialist and two assistants to maintain our libraries in the district under the supervision of our certified Library Media Specialist.

The Board of Education voted in the September 13th regular board meeting to request the deregulation for three years. Thank you for your consideration in this matter.

Sincerely,

Randy Davenport

Superintendent of Schools

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?
 - Tishomingo Elementary School is requesting a deregulation from 210:35-5-71 Staffing: The school shall provide staffing for the media program through one of the following arrangements: 1) Enrollment of fewer than 250: At least one full-time certified library media specialist (librarian) or a half-time certified library media specialist (librarian) and a full-time library assistant. Tishomingo Middle School has approximately 300 students enrolled in Pre-K 4th grades. The District Advertised a Media Specialist Position and had one applicant that we hired. We lost a half-time media specialist to a counseling position. Both current budgetary shortages and lack of applicants are making it difficult for TMS to meet this requirement. The District simply wouldn't have the ability to
- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied. We have a full-time library assistant that will keep the library open all day every day. She will work with the full-time library media specialist that is being shared among all three sites (ES, MS and HS) to guide the library development and activities. The full-time library media specialist will make periodic presentations to middle school students and classroom teachers will hold classes in the library and work with the assistant to teach library skills.

C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Yes. Students continued to have access to the library, along periodic presentations from a library/media specialist. Student performance levels were not directly affected by the deregulation. The District has implemented automated book check-out and turn-in systems via Renaissance which has greatly improved student access and health in book handling.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

We will have a library assistant in the library full-time each week. Teachers will take classes to the library as needed and the half time library specialist will make presentations to middle students once per quarter.

E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated. The District is actually increasing budget for the media specialist position by moving the half-time media specialist to a full time counseling position and replacing the half-time media specialist serving districtwide with a full-time media specialist position serving districtwide.

F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Evaluations will be based on library usage, survey of teachers in ease of use, availability, etc., number of books checked out and AR usage. This information will be used to compare to previous year's usage where data is available. In addition, student test scores in reading will be compared to ensure success of each student.

^{**} You will be contacted if more information is needed to process this request.

RE: Deregulation Library Media Specialist

Dear State Board of Education Members,

The Tishomingo School District is requesting a deregulation from OAC 210:35-5-71; OAC 210-35-7-61; OAC 210-35-9-71. The District was able to find a certified Library Media Specialist to serve in a full-time capacity for the 2021-2022. This is definitely an increase of service compared to only being able to find a half-time Library Media Specialist a year ago. The District has continued to work to increase service, and we have been able to fully automate the book check-out and return process by implementing the renaissance program. This program affords the District the ability to fix barcodes to all books and then scan books to manage the check-out and return of library books. We have also provided all students in Pre-K through 12th grades with chrome books allowing teachers to complete a great deal of research in class. Thank you for your consideration and understanding as we navigate these challenging times. Sincerely,

Bobby Waitman

*Original signatures are required. The attached questi	onnaire must be answered to process.	

A. Reason for the waiver/deregulation request (be specific).
Current demands for personnel adversely effect the ability to get a certified librarian even though we have greater financial freedoms this year over subsequent years. Though we have Library Media Specialist serving in other capacities within the district. This waiver will allow us to sustain our G/T program efforts as well as Counseling efforts within the district.
B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.
The district will use our Library Media Specialist to serve in her current G/T position and also serve as a consultant to a full-time support person who has a HS diploma and ParaPro test.
C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.
Student impact by this change should not be noticeable as we will continue to operate the Library Media Program as we have in prior years. The support person will continue all aspects of the program to include class reading centers to promote reading.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary, or described in instructions. A waiver/deregulation can be granted for up to 3 years. (Please see instructions for additional requirements)
This is a one year waiver request.
,
E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.
This decision will allow the district to maintain a strong G/T program and keep financial resources in areas to benefit direct student services as well as avoid moving staff from needed positions. This will also allow the district to have the benefit of an individual with prior Library Media experience.
F. Describe method of assessment or evaluation of effectiveness of the plan.
Teacher/Student formal and informal surveys for effectiveness of the program.

^{**} You will be contacted if more information is needed to process this request.

REGULAR BOARD MEETING JUNE 14, 2021 21444 EAST NORTH RAILROAD HOWE ADMINISTRATION BUILDING

Opening flag salute and invocation was given.

Meeting called to order by Elvis Hall. Members present: Elvis Hall, Jason Blake, Dwayne Leatherwood, and Jerrod Johnson. Members absent: None. School personnel: Scott Parks, Dennis Shoup, Jeremy Dyer, and Rachel Krebbs. Visitors: See attached letter.

Motion by Jason Blake to appoint Kenneth Barnhart to fill Howe School Board Member Seat #3 (with Assistant Clerk duties associated), vacated by Vickie Jirash, seconded by Dwayne Leatherwood. Motion passed, Hall-yes, Blake-yes, Johnson-yes, and Leatherwood-yes.

Motion by Dwayne Leatherwood to approve agenda items for the Regular Board Meeting June 14, 2021, seconded by Jerrod Johnson. Motion passed, Hall-yes, Leatherwood-yes, Johnson-yes, and Blake-yes.

Motion by Dwayne Leatherwood to approve minutes for the Regular Board Meeting May 10, 2021, and approve minutes for the Special Board Meeting May 26, 2021, seconded by Jason Blake. Motion passed, Hall-yes, Blake-yes, Johnson-yes, and Leatherwood-yes.

Motion by Jason Blake to approve the following encumbrances: General Fund P.O. #'s 356-400 and change orders; Payroll Purchase Order #'s 70257-70279 and change orders, and Building Fund P.O. # None, and Bond #4 P.O.#'s 1-2, seconded by Jerrod Johnson. Motion passed, Hallyes, Leatherwood-yes, Johnson-yes, and Blake-yes.

Motion by Dwayne Leatherwood to approve Superintendent's Financial Report:

- A) General Fund
- B) Building Fund
- C) Sinking Fund
- D) Scholarship Fund
- E) Activity Fund
- F) Bond Fund #4

Seconded by Jason Blake. Motion passed, Hall-yes, Johnson-yes, Leatherwood-yes, and Blake-yes.

Superintendent gave report on:

- A) Facilities Updates
- B) Grants

Principals' gave reports on current status of programs and scheduled events or activities.

Page 2, Regular Board Meeting June 14, 2021 at 6:00 p.m.

Motion by Jason Blake to approve the 2021-2022 school year OSIG insurance bid for property, automobile, and general liability, etc insurance premiums, seconded by Jerrod Johnson. Motion passed, Hall-yes, Blake-yes, Johnson-yes, and Leatherwood-yes.

Motion by Jason Blake to disapprove OSRMT 11% reserve contribution invoice and the 42% reserve contribution if invoiced, seconded by Dwayne Leatherwood. Motion passed, Hall-yes, Johnson-yes, Blake-yes, and Leatherwood-yes.

Motion by Dwayne Leatherwood to approve the workers compensation insurance for the 2021-2022 school year with OSAG, seconded by Jerrod Johnson. Motion passed, Hall-yes, Blake-yes, Johnson-yes, and Leatherwood-yes.

Motion by Jerrod Johnson to approve OSSBA unemployment service agreement for the 2021-2022 school year, seconded by Dwayne Leatherwood. Motion passed, Hall-yes, Blake-yes, Johnson-yes, and Leatherwood-yes.

Motion by Jason Blake to approve the resignation of Dennis Shoup, Margo Wright, and David Wright, seconded by Jerrod Johnson. Motion passed, Hall-yes, Johnson-yes, Blake-yes, and Leatherwood-yes.

Motion by Dwayne Leatherwood to approve the OSSBA Membership for the 2021-2022 school year and Board Policy Subscriptions and Updates as presented by the Superintendent, seconded by Jerrod Johnson. Motion passed, Hall-yes, Blake-yes, Leatherwood-yes, and Johnson-yes.

Proposed executive session to discuss the following employment issues: 25 O.S. Statute 307(B)(1).

- A) Discussion of Support Personnel for the 2021-2022 school year.
- B) Discussion of Business Manager Salary Schedule and extra-duties.
- C) Discussion of Certified Staff needs to include, but not limited to the following: High School Principal, High School Counselor, High School Staff, Middle School Staff, Elementary Staff, Maintenance and/or Custodial Staff.

Motion by Jason Blake to approve convening in an executive session, seconded by Dwayne Leatherwood. Motion passed, Hall-yes, Blake-yes, Johnson-yes, and Leatherwood-yes.

Acknowledgment of Board's return to open session.

Executive Session minutes were kept, and only items discussed were agenda items.

Motion by Jason Blake to approve the employment of Support Staff as presented by the Superintendent, seconded by Jerrod Johnson. Motion passed, Hall-yes, Blake-yes, Leatherwoodyes, and Johnson-yes.

Page 3, Regular Board Meeting June 14, 2021 at 6:00 p.m.

Motion by Jerrod Johnson to approve moving the Business Manager salary schedule from the Support Schedule to the Certified Schedule with adjustments to extra duties, seconded by Dwayne Leatherwood. Motion passed, Hall-yes, Johnson-yes, Leatherwood-yes, and Blake-yes.

Motion by Dwayne Leatherwood to approve Amy Donathan as High School Counselor, seconded by Jason Blake. Motion passed, Hall-yes, Blake-yes, Johnson-yes, and Leatherwood-yes.

Motion by Jason Blake to approve the employment of Lacy Thompson for High School English Teacher, seconded by Dwayne Leatherwood. Motion passed, Hall-yes, Blake-yes, Johnson-yes, and Leatherwood-yes.

Motion by Jerrod Johnson to approve Chris Brown as Middle School Assistant Principal and assess duties and salary, shifting classroom duties to only 2/7 fte (.286) for JH/HS Athletics, retaining Donna Morris with Elementary Principal and Federal Programs, seconded by Jason Blake. Motion passed, Hall-yes, Johnson-yes, Blake-yes, and Leatherwood-yes.

Motion by Dwayne Leatherwood to approve the employment of Britt Brown through Emergency Certification for HS Social Studies/Elem PE, seconded by Jerrod Johnson. Motion passed, Hall-yes, Leatherwood-yes, Blake-yes, and Johnson-yes.

Motion by Jason Blake to approve the employment of Amber Hildebrant for Elementary 2nd Grade Teacher, moving Charlotte Smith to Pre-k teacher, and moving Teresa Wise to 3rd Grade Teacher, seconded by Jerrod Johnson. Motion passed, Hall-yes, Johnson-yes, Blake-yes, and Leatherwood-yes.

Motion by Jerrod Johnson to approve Superintendent to seek out 5th Grade Teacher and teachers aide/para roles and ratify if needed, seconded by Jason Blake. Motion passed, Hall-yes, Johnson-yes, Leatherwood-yes, and Blake-yes.

Fundraisers: None

Motion by Jason Blake to approve Library Media statutory waiver request for the 2021-2022 school year with Natalie Weaver as Library Aide, seconded by Jerrod Johnson. Motion passed, Hall-yes, Blake-yes, Johnson-yes, and Leatherwood-yes.

Motion by Dwayne Leatherwood to approve emergency certification year three requests for Shawn Womack and Waldina Stinson, year two request for Brett Casey, and year one request for Britt Brown, seconded by Jason Blake. Motion passed, Hall-yes, Johnson-yes, Blake-yes, and Leatherwood-yes.

Motion by Jerrod Johnson to approve open transfer requests for the 2021-2022 school year as presented by the Superintendent, seconded by Jason Blake. Motion passed, Hall-yes, Blake-yes, Johnson-yes, and Leatherwood-yes.

Page 4, Regular Board Meeting June 14, 2021 at 6:00 p.m.

Motion by Jason Blake to approve contract with Leflore Educational Support Services for the 2021-2022 school year, seconded by Jerrod Johnson. Motion passed, Hall-yes, Johnson-yes, Blake-yes, and Leatherwood-yes.

Motion by Jason Blake to approve surplus of HS Boys Basketball uniforms to sell, seconded by Jerrod Johnson. Motion passed, Hall-yes, Johnson-yes, Leatherwood-yes, and Blake-yes.

Motion by Dwayne Leatherwood to approve The Center for Education Law Contract for legal services, seconded by Jerrod Johnson. Motion passed, Hall-yes, Johnson-yes, Blake-yes, and Leatherwood-yes.

Motion by Jason Blake to approve Committee Meeting to be held on June 15, 2021 for public input on the Districts' Return to Learn Plan for the 2020-21 school year as required by ESSER 3 Funds, seconded by Jerrod Johnson. Motion passed, Hall-yes, Blake-yes, Leatherwood-yes, and Johnson-yes.

Board Member Comments:

Elvis Hall – Thank you to the principals' for their service.

Dwayne Leatherwood - Thank you principals and good luck.

Jason Blake - Thank you to the principals.

Jerrod Johnson - Thank you

New Business: None

Motion by Jerrod Johnson to adjourn meeting, seconded by Dwayne Leatherwood. Motion passed, Hall-yes, Leatherwood-yes, Johnson-yes, and Blake-yes.

Elvis Hall, President

Jason Blake, Vice President

Jerrod Johnson, Clerk

Vickie Jirash, Assistant Clerk

Dwayne Leatherwood, Member

A. Reason for the waiver/deregulation request (be specific).

The reason for the waiver/deregulation request is threefold. First, the District has historically been unable to find a certified librarian. They are few and far between. This problem has been acerbated by the fact that in order to afford a full-time certified librarian we would have to cut our Reading Coach/interventionist position and have the librarian pick up that function as well. When we mention that to a candidate for certified librarian, in the rare exception that we actually get a candidate, we find that they are not interested in that type of an arrangement.

Secondly, the District is able to keep both libraries open full-time along with employing a full-time Reading Coach/interventionist under this waiver/deregulation situation. We have found that this is the best situation for our students to reach their highest potential in the area of reading. Finally, on the rare occasion that funding is available for additional programs to improve reading due to the savings we realize by having two full-time library aides versus a full-time librarian we are purchasing enrichment programs such as Reading Eggs and Exact Path. These programs help improve instruction in the classroom along with making several hundred more books available to our students.

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

Currently, Agra Public Schools employs two full-time aides to care for and manage the two libraries in the district. This allows the district to maintain two libraries on separate parts of the campus which can be open at all times. One library is in the JH/HS building, the other is in the Elementary building. Each library has six computers for student use and is completely stocked with appropriate materials. This is in place of one librarian managing two libraries which would cause each of the libraries being closed part of the time.

It has been the experience of the district that certified librarian candidates are hard to find and most do not want to help with the reading program. With our current situation, we are able to keep the libraries open at both sites full time and a full-time Reading coach/interventionist.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

Continued use of the libraries by our students will continue on a full time basis. We currently utilize the accelerated reader program and it will continue to be used on a school-wide basis. The libraries will continue to offer to offer the same service; possibly better because of being open full time, for our students. Students will continue to be required to read and take tests of understanding, then will be rewarded for achievement in the accelerated reader program.

In addition, we have added Reading Eggs to our PK-2nd grade reading program. Reading Eggs increases the number of on level books available to our students by over 1,000 copies while also improving instruction. We believe using the savings from librarian salary for programs such as Reading Eggs and Exact Path, having both libraries open full time, and employing a full time Reach Coach/interventionist will result in improved reading levels and improved state test scores.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary, or described in instructions. A waiver/deregulation can be granted for up to 3 years. (Please see instructions for additional requirements)
Our libraries are open at both sites from 7:45am to 3:00pm every day that school is in session. Judy Poteet is assigned to the Elementary library and Renee Roe is assigned to the Secondary library.
E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.
The salary for two library assistants is about \$20,000 combined. If a library media specialist was found and hired it would cost from between \$38,000 to \$50,000 (plus) depending on experience. The financial impact would cause us to be forced to cut our Reading Coach/interventionist.
F. Describe method of assessment or evaluation of effectiveness of the plan.
The effectiveness of this plan will be evaluated by monitoring our student reading levels, student participation in accelerated reading program, and state test scores - specifically in the areas of reading, social studies, and science.
The success of our libraries will be evaluated at the end of the school year. Accessibility issues will be evaluated as well as participation in the library will be assessed. These files will be kept on file if requested by the State Department of Education.

^{**} You will be contacted if more information is needed to process this request.

AGRA PUBLIC SCHOOLS

PO Box 279, Agra, Oklahoma 74824 www.agra.k12.ok.us

Dr. Anita Watkins Elementary Principal Ph 918.375.2262 Fax 918.375.2263 awatkins@agra.k12.ok.us Mr. Jeff Kelly Superintendent Ph 918.375.2261 Fax 918.375.2263 jkelly@agra.k12.ok.us Mr. Rennie Nickell High School Principal Ph 918.375.2261 Fax 918.375.2260 rnickell@agra.k12.ok.us

08/09/2021

To The Oklahoma State Department of Education,

I am writing this letter to request a deregulation for OAC 210:35-9-71, OAC 210:35-7-61, and OAC 210:35-5-71 allowing Agra Public School to operate without a certified librarian in our libraries.

A few years ago we did have a librarian whom we shared between both libraries, however that individual has left the district. We did not re-hire another librarian due to budget constraints as well as lack of applicants. We are currently operating with two library assistants which allows us to have both library sites open all day every day. The library assistants have all resources available and are able to efficiently operate the library under their control. Using two library assistants in the place of one librarian allows us to operate both libraries full time and also allows helps with budget constraints. Using two assistants over the past few years was very successful and gave our students the reading opportunities necessary to begin to increase overall reading achievement.

Thank you for your time and consideration to this matter. I very much appreciate your efforts. If I can be of further assistance or can answer questions regarding this request please do not hesitate to contact me at 918-375-2261 or via e-mail: jkelly@agra.k12.ok.us.

Sincerely,

Superintendent

AGRASOS HILL

NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?
 - Wickliffe is a small, rural elementary school in northeast Oklahoma. The school serves a student population the approximately 86% qualify for free/reduced lunch. Do to a small enrollment (90 students), the median income of our constituents, and the rural location, utilizing funding to provide a certified librarian is more of a detriment to the district than utilizing funds to provide qualified instructors in the classrooms.
 - Wickliffe provides alternative means to ensure that students get the full benefits of the library, which include both aides and teachers checking out books and an instructional aide overseeing the general organizational needs of the library.
- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied. Wickliffe provides alternative means to ensure that students get the full benefits of the library, which include both aides and teachers checking out books and an instructional aide overseeing the general organizational needs of the library. Students benefit from the teachers assisting students in the library and checking out/in books as they can help connect students to books that enhance their academic and classroom needs. By using aides to check out books, students benefit from an independence of book selection.

C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

NO

D.	Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary. See attachment
E.	Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated. With the waiver, Wickliffe will be able to provide 9 certified teachers to address student instructional needs.
	Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc. Wickliffe will monitor the effectiveness of this plan through student performance indicators in the classroom, NWEA Map assessment and the year end OCCT.
** You	will be contacted if more information is needed to process this request.

Melissa Cagle, Superintendent 11176 East 470 Rd. Salina, OK 74365-2655 918-434-5558 Fax: 918-434-3592

August 12, 2021

Dear Superintendent Hofmeister and the State of Oklahoma Board of Education;

The purpose of this letter is to request a three year library waiver (OAC 210:35-5-71) for Wickliffe Elementary School 46C035.

Wickliffe Elementary School is a rural, dependent district in northeastern Mayes County with a current enrollment of less than 100 students. The Wickliffe Board of Education is committed to providing certified instructional staff to meet the academic needs of our students, and many of our instructors must be very versatile in the roles that they perform. This waiver will allow our LEA to provide a certified classroom teacher for our students.

The Wickliffe Board of Education has approved the following alternatives to provide library services for our students, which includes a schedule of operation, a teacher assistant overseeing the general operations of the library, and classroom teachers trained to check in/out materials. The administration and Board will be able to evaluate the effectiveness of this plan by monitoring student performance indicators in the classroom, NWEA Map assessments and student performance on year end OCCT.

Sincerely,

Melissa Cagle Superintendent

^{**} You will be contacted if more information is needed to process this request.

E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.

The financial impact to the district is the difference in pay for a certified library media specialist and a para professional salary. To describe in detail, there are both positive and negative impacts to our situation. Because of our extremely rural southeast Oklahoma location and the specialized master's degree required for a certified library media specialist, we are unable to find one in our area that meets the requirements. We are fortunate to have a para professional that was trained by a certified Librarian so that our students are able to benefit from the library and its offerings at a reduced cost to the district, about 1/3 the amount. A certified library media specialist would receive certified pay, which in Oklahoma, is an average of over \$62,000 plus benefits. Our paraprofessional receives approximately \$20,000 plus benefits. The funds saved can be spent in other areas of the library for books, technology, Covid response, etc.

Library Schedule

2020-2021

Class Schedule:

Mon	8:15-8:30	5th Grade
Mon	1:15-1:30	6th Grade
Tues	1.0:00- 10:15	3rd Grade
Tues	12:20- 12:35	4th Grade
Tues	1:15-1:30	7th Grade
Tues	1:40-1:55	2nd Grade
Wed	8:30- 8:45	1st Grade
Wed	1:15-1:30	8th Grade
Thurs	10:15-10:40	Kindergarten
Thurs	1:15-1:30	5th Grade

^{*}Please remember to only send 2 or 3 students at a time to the library with a card showing the students AR level.

^{*}Students are only allowed to come to the library once a day.

^{*}During Library time the teacher must come with their class unless you talk with me first.

FOREST GROVE SCHOOL

P. O. BOX 60 GARVIN, OK 74736

580-286-3961 FAX 580-286-3974 TDD-TTY #771

John Smith, Superintendent

August 2, 2021

Due to the fact that I was not able to find a Library Media Specialist in our area, I am requesting a library media services deregulation.

The library will be staffed with a highly qualified para.

Sincerely,

John Smith

Superintendent

Forest Grove School

A. Reason for the waiver/deregulation request (be specific).

OAC 210:35-5-71 OAC 210:35-9-71

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

The district seeks to employee a full-time library media assistant to implement and advance our current library service for student pk-12, We have one library facility. The district will have a teacher who is a certified librarian to oversee the facility but she will be in the classroom all day. This strategy will allow the library to remain open the entire day. The following programs will still be offered on a full-time basis.

Regular Circulation: pk-12

Story Time: pk-2

Accelerated Reader: 1-8

Basic Literacy:

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

The district's student performance goal is to have all students reading on grade level. We have made significant gains in the last year by emphasizing reading in grades K-3. Students will continue to participate in Accelerated Reader Program and incentives will be developed to encourage students to love to read. The certified library media specialist will coordinated the activities for the library assistants.

The district will continue to place a heavy emphasis on tracking date, especially in light of the TLA and RSA requirements. Adjustments to the program will be made based on the results of benchmark assessments but we are committed to student success in reading.

D. Timeline: (Please submit class schedule, calendars, assessment forms and other attachments as necessary.
A waiver/deregulation can only be granted for a one school year period) NOTE: A School District Empowerment Waiver can be for up to 3 years.
This request is for the 2021-2022 school year. Please see attachments.
E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.
Porum is a poor, rural district and the district cut several certified and support positions at
the end of 2015-2016 school year and cut another position in 2016-17 and one more
position in 2018-19. For 2020-2021 school year we have cut another certified teaching position because our revenue has decrease as of today by approximately \$230,000. At the
end of the 2020-2021 school our carryover has decrease approximately \$200,000.
Declining enrollment is a problem at the current time. This will enable our district to save
money and keep more of our staff working with students.
F. Describe method of assessment or evaluation of effectiveness of the plan.
The district will continue to survey and seek input from students, parents, teachers, library
staff administrators and community partners as to the effectiveness of the library services
offered by the school. Annual evaluations of the library staff will be conducted by the district administration. Reading levels and test scores will be used to guide the needs and
effectiveness of our library services. Circulation percentages will also be evaluated to
reflect the library services and student engagement.
** You will be contacted if more information is needed to process this request.

MINUTES OF REGULARLY SCHEDULED MEETING BOARD OF EDUCATION, PORUM PUBLIC SCHOOLS MONDAY, AUGUST 9, 2021 AT 7:00 P.M. CAFETERIA, PORUM SCHOOL 410 N 4TH STREET, PORUM, OKLAHOMA

The Board of Education, Porum Public Schools, will hold a regular meeting Monday, August 9, 2021 at 7:00 p.m. in the cafeteria at Porum School, 410 N 4th Street, Porum Oklahoma. Notice of this meeting was given to the Muskogee County Clerk at least twenty-four (24) hours in advance of the meeting, and agenda is posted in prominent public view at the entrance of the High School building at least twenty-four(24)hours prior to the meeting, excluding Saturday, Sundays, and holidays, pursuant to Title 25, Oklahoma Statutes section 301 et seq, the Oklahoma Open Meeting Act. Copies are posted in Porum at south entrance of the Porum High School, the U.S. Post Office and on www.porum.k12.ok.us.

NOTE: DURING ANY PROPERLY SCHEDULED OPEN MEETING THE BOARD MAY DISCUSS, MAKE MOTIONS, VOTE TO APPROVE OR DISAPPROVE, VOTE TO TABLE, ADOPT, REJECT, REAFFIRM, RESCIND, OR TAKE NO ACTION ON ANY AGENDA MATTER AND VOTE TO CONVENE IN EXECUTIVE SESSION WHEN APPROPRIATE.

AGENDA

1. Call meeting to order.

Meeting was called to order by Michael Wright at 7:03pm.

2. Roll call to establish quorum.

Those present were Michael Wright, Jan Garner, Angie Brinlee, Josh Tillery and Keith Shrum (arrived at 7:12).

Also present were Dr. Landon Berry, Tina Corbell, Brent Pearce, Cora Fletcher, Brooke Dishman, April Harrison,

Jimmy Robinson, Bobbie Wheat and Leah Spradlin.

- 3. Consent Agenda. All of the following items, which concern reports and items of a routine nature normally approved at board meetings, could represent a consent agenda. The consent agenda consists of the discussion, consideration, and approval of the following items.
 - A. Accept agenda as part of the meeting
 - B. General fund encumbrances, no. 130 through no. 141in the amount of \$50,748.92.
 - C. Building fund encumbrances, no. 33 in the amount of \$1,550.00.
 - D. Approval of minutes of the July 15, 2021 Special board meeting.
 - E. Approval of minutes of the July 22, 2021 Special board meeting.
 - F. Monthly Activity Fund Revenue/Expenditure Summary.
 - G. Monthly Treasurer's Report.
 - H. Change Orders.
 - 1. Prosperity Bank Credit Card Statement.
 - J. Approval of fund raisers.
 - K. Approval of School Board Policies:
 - (1) BDFD- HEALTHY AND FIT SCHOOL ADVISORY COMMITTEE/SAFE SCHOOL COMMITTEE
 - (2) DBH- ACCOMODATIONS FOR LACTATING EMPLOYEES
 - (3) EJB- SUICIDE AWARENESS AND TRAINING
 - (4) EGG- PROHIBITION OF RACE AND SEX DISCRIMINATION IN CURRICULUM AND COMPLAINT PROCESS
 - (5) EGG-E- PROHIBITION OF RACE AND SEX DISCRIMINATION IN CURRICULUM AND COMPLAINT PROCESS COMPLAINT FORM

Motion was made by Angie Brinlee and seconded by Josh Tillery to accept consent agenda.

4. Open Forum.

Jimmy Robinson questioned the Board if the school was any closer to allowing the 6th graders to play sports with the JH athletics. He stated the Freshmen lose out every year with not enough playing time in every sports. He stated he wished Porum Schools would allow these changes.

5. Elementary Principal's Report.

Mrs. Fletcher stated elementary floors look great, thank you to the janitors. New water fountains in and old ones will be wrapped again this year. New curriculum being ordered and new student enrollment is tomorrow.

6. Secondary Principal's Report

Mr. Pearce stated enrollment has gone smooth so far, numbers are close to last year. HS looks great, thank you to the custodians. Mr. Pearce participated in a National Educational Leadership conference by zoom for 2 days, 2 more days will happen in the spring and hopefully he will get to participate.

7. Superintendent's Report

Dr. Berry stated the 7th-12th grade students will be allowed to take chromebooks home. Custodians have done an outstanding job this summer getting floors done. We rented dumpsters and cleaned out maintenance rooms, looks great. Softball has started practice and games. Football has started 2 a days. Open House is Tuesday from 4:00-6:00pm. 2 new water fountains in elementary going in this week.

8. Vote to accept or not accept contract with Kellogg & Sovereign Consulting, LLC for eRate application and services for the 2021-2022 school year.

Motion was made by Angle Brinlee and seconded by Keith Schrum to accept contract with Kellogg & Sovereign Consulting, LLC for eRate application and services for the 2021-2022 school year.

To Whom It May Concern:

Porum Public Schools is asking for a deregulation for the 2021-2022 school year. We are requesting a deregulation for our library. We are requesting to have one full-time library media assistant.

If you have any questions please contact me at (918) 484-5121 ext. 221.

Sincerely

Dr. Landon Berry Superintendent of Schools

*Original signatures are required. The attached questi	onnaire must be answered to process.	

A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

The district is unable to secure an additional part-time certified library media specialist. The current district LMS will serve the high school site no less than 2 of 6 hours (325 students). There are no alternative options.

B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied. Due to financial constraints, Jones Public Schools decided to invest available dollars in the regular classrooms, keep the student count low and retain all teachers instead of hiring a full time media specialists. The district has a full time media specialist that serves all three sites.

Each of the libraries is staffed with experienced library aides full time. The current library media aides have been employed as a library aide for several years and are highly competent and knowledgeable. They, along with full time library media specialist, are operating the library/media center for each site with no changes nor disruptions to the current schedule.

C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

This deregulation was granted last year. There were no negative impacts to student performance or the operation of the district.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary. Each library is open throughout the day to inlcude 30 minutes before school and 30 minutes after school. E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated. The Jones School District will save the equivalent of 1 Media Specialist salary (approximately \$60,000.00 depending upon years of experience). That salary is used to add an additional early childhood teacher. F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc. The school administration, along with the library personnel, will evaluate the library program at the end of the school year and submit a written summary to the State Department of Education

Jones Public Schools has attempted to hire a full time Library Media Specialist at each site; however, we have been unsuccessful. We have a full-time certified Library Media Specialist that serves all three sites. We also have a full-time Library Media Aides at each location. Each site has a library open all day to include hours before and after school.

We are asking the SDE to grant a deregulation for the current regulations on Library staffing.

Thank you,

Carl Johnson, Ph.D.

ILY

0 9 2021

A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?
We are to have 1/5 time certified librarian. Having a 1/5 time employee with a library certificate in our rural area isn't possible at this time. We are a very remote district and to hire someone 1/5 time to drive this far out is not feasible. If we were denied the waiver, we would consider a virtual teacher.

B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied. We are able to have the library open during the school day using paraprofessionals. We have a self check out system where kids can check out their own books. We also have our library system online so books can be reserved, and delivered to the student. We also have a library aide that works part time who maintains the library and the curriculum.

C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect? Yes, there were no evident negative effects on student performance level that we feel that were contributed to not having a certified librarian.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

1st &2nd 1:00 Butcher

3rd & 4th 1:30 Butcher

5th & 6th 2:00 Butcher

7th & 8th 2:30 Butcher

8:00-12:30 Library open for classroom use. Kirchner

E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.
We have been able to have a librarian on staff the last two years due to having the Striving Readers grant. We have not budgeted for a librarian in approx. 10 years, so there would not be a financial impact to the district. The only financial impact would be if we were forced to hire a librarian. It may be impossible for us to hire a 1/5 time librarian due to our location. Therefore, we would have to do 1/2-a full time employee. That would be a big financial impact on our small district.

F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Our reading sufficiency team meets to discuss student needs biweekly. During these meetings we discuss interventions used for students, counseling, library lessons, reading instruction at the tier I,II, III level.

Oklahoma State Department of Education 2500 North Lincoln Blvd. Oklahoma City, Ok 73105

State Dept. of Ed,

I am writing to request a library deregulation for Bowring School. It isn't financially possible for us to hire a full-time librarian. We are only required to have a 1/5 time librarian, but with us being so remote a person would have to drive about 28 miles for 1/5 pay. We do have a library specialist who lives in our district, but she drives to Bartlesville for a full-time position. We are able to hire a para to have the library open full time during school hours.

Sincerely,

Nicole Hinkle

A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?
Last year our Library Media teacher took a teacher posititon at the neighboring school distict and the new employee was not certified in Library Media. Turkey Ford School also consolidates teaching responsibilities where everyone has multiply roles they fill.

Students have access to the library daily, by scheduling a para-professional to have the library open through breakfast. The Title 1 teacher helps oversee the library with our grade level teachers.

B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

In order to best serve the students in the Turkey Ford School District, a para-professional that is taking college classes to be a certified teacher helps oversee the library. A schedule has been designed so that the library is open and students hear about specific authors and genres.

Teachers are also encouraged to take their classes to the library for projects.

C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Turkey Ford has been granted this deregulation before. There is an advantage to being in a rural district, as the studetns do not feel negative effects of this change. Faculty and staff work cohesively to make the Library Media Center available to students and classes.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The Library Media Center is open every morning through breakfast, making the library available 70 minutes daily. Then classes are scheduled in the Library 40 minutes for a specials rotation. Additional times many be coordinated by the staff for a class to be in the library.

E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

There is a positive financial impact to the district by allowing the waiver/deregulaion in that another person won't have to be hired in oder to supply a half-time librarian whose sole focus is being in the Library Media Center. Everyone in a small district wears many hats and has multiple tasks. So having a classroom teacher, take the coordination lead working with our para-professional has worked for Turkey Ford School.

F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Students are evaluated quarterly with STAR reading assessment. This along with classroom performance and end-of-year assessment will help determine the effectiveness of the plan.

^{**} You will be contacted if more information is needed to process this request.

TURKEY FORD SCHOOL DISTRICT

MINUTES

Regular Board Meeting Tuesday August 10, 2021

I. Call to order/roll call

The Turkey Ford School Board of Education met in a regular board meeting on August 10, 2021, at 4:00 P.M. in the Superintendent's office. The meeting was called to order by School Board President Elizabeth Lehmann at 4:11 PM. Elizabeth Lehmann, and Diane Cook, were present.

2. Consent Agenda:

Diane Cook motioned to approve the following items. Elizabeth Lehmann seconded the motion, all ayes.

- A. Minutes from regular scheduled board meeting, July 15, 2021.
- B. Treasurer's Report
- C. Encumbrances/Warrants

2021/2022 General Fund Purchase Order #'s 61-73, 50005-50016

Warrant #'s 19-58

2021/2022 Building Fund Purchase Order #'s 19-24

Warrant #'s 1-9

2021/2022 Sinking Fund Purchase Order # none

Warrant # none

2021/2022 Activity Fund Purchase Order #'s 1

Warrant #'s none

D. Student Transfers

3. Public Comments regarding the ARP ESSER Plan (American Rescue Plan – Elementary School Emergency Relief)

No patrons attended.

Ms. Holloway stated she will be soliciting input at tonight's Parent/Student Open House.

4. Discuss, make recommendations, and/or take action to approve or disapprove hiring Susan Brisco part-time para/substitute at Turkey Ford School for the 2021- 2022 school year.

Elizabeth Lehmann motioned to approve hiring Susan Brisco part-time para/substitute at Turkey Ford School for the 2021- 2022 school year.

Diane Cook seconded, all ayes

5. Discuss, make recommendations and/or take action to approve or disapprove hiring Denise Durbin to implement Speech services for school year 2021-2022.

Diane Cook motioned to approve hiring Denise Durbin to implement Speech services for school year 2021 – 2022.

Elizabeth Lehmann seconded, all ayes

6. Discuss, make recommendations and/or take action to approve or disapprove the Turkey Ford Elementary Committee List.

Ms. Holloway stated parents are being reached to participate.

Diane Cook motioned to approve the Turkey Ford Elementary Committee List.

Elizabeth Lehmann seconded, all ayes

7. Discuss, make recommendations and/or take action to approve or disapprove contract with Municipal Accounting Systems for the school year 2021-2022.

Diane Cook motioned to approve contract with Municipal Accounting Systems for the school year 2021 – 2022. Elizabeth Lehmann seconded, all ayes

8.Discuss, make recommendations and/or take action to approve or disapprove application of Statutory Waiver/Deregulation for library instructions Oklahoma Deregulation Act, 70 O.S. § 3-124, et seq for 2021/2022 school year.

Diane Cook motioned to approve application of Statutory Waiver/Deregulation for library instructions Oklahoma Deregulation Act, 70 O.S. § 3-124, et seq for 2021/2022 school year. Elizabeth Lehmann seconded, all ayes

9. New Business.

Ms. Cook stated Ms. Holloway's pay should be raised and Olivia Plant has not received a raise in a few years.

Diane Cook motioned to give Olivia Plant a raise of \$1.30 an hour to \$21,979.10 annually. Elizabeth Lehmann seconded, all ayes

Diane Cook motioned to give Ms. Holloway a \$3,000.00 raise for the 2021/2022 school year. Elizabeth Lehmann seconded, all ayes

10. Superintendent's Report.

Ms. Holloway reported that the roll-off is gone and we have cleaned all summer. Everything is cleaned up. Jette Bybee has worked hard. Our new software is ordered. Back to School night is tonight. School starts Thursday.

17. Vote to adjourn.

Elizabeth Lehmann motioned to adjourn at 5:15	pm.
Diane Cook seconded, all ayes

Accreditation Standards Division OSDE:

This is a formal request for a Statutory Deregulation OAC 210:35-5-71, Library Media Services Elementary School for Turkey Ford School District, C010.

Last year our Library Media certifified teacher took a teaching position in the neighboring school district. The new hires are not certified in Library Media.

Due to student enrollment and the impact of COVID-19, funds have been prioritized to hire a certified teacher for each grade level Pre K through 6th grade. This reduces class sizes, but also keeps from placing two grade levels with one teacher.

In additional Turkey Ford School has hired a Title 1 Reading Spcialist and a parttime RTI specialist. Both these teachers will strongly encourage reading and use of the Library Midia Center. I must provide students with the one-on-one reading assistance as this is in their best interest.

Because Turkey Ford is a rural district, serving less than 100 students, we are able to arrange the schedule to still provide a library media center for at least half of each day. Several people will have to be flexible and willing to coordinate efforts, but this is something most rural school districts do on a daily basis. The attached schedule will show the plan for making sure the change from a one-half time certified librarian to a onefifth time certified media specialist won't impact student learning negatively.

The board of education is in agreement with this proposal and documentation is attached providing their approval. In addition, I have discussed the change with my Regional Accrediation Officer, Mike Teel and he suggested I submit an application. Feel free to contact me if you have further questions. Thank you for your consideration.

Proudly Educating Children,

ulie Holloway

Superintendent

A. Reas	on for the	waiver/d	leregulation	request (be	specific).
---------	------------	----------	--------------	-------------	------------

During the time of teacher shortage, It is hard finding a 1/2 time librarian. Kindergarten teachers having books in their class has been an acceptable practice in leau a library and librarian.

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

We have purchased books for the each kindergarten classroom. The books can be moved / switched with other classrooms during the year but this would give us the books that we need without having the need for a librarian.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

We do not forsee any difference on the students. The kindergarten students will now have the books in the classroom which will make it easier to get library books.

necessary, or described in instructions. A waiver/deregulation can be granted for up to 3 years. (Please see instructions for additional requirements)
We are asking for a one year waiver since the kindgarten will be moving into a different building next year with a full time libary and librarian.
E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.
We would be able to save a part time librarian's salary.
F. Describe method of assessment or evaluation of effectiveness of the plan.
The principal will evaluate the program and have constant dialogue with the classroom teachers.

^{**} You will be contacted if more information is needed to process this request.

"Engaging Minds, Inspiring Hearts, Pursuing Excellence"

August 20, 2021

Oklahoma State Department of Education Accreditation Standards Division 2500 North Lincoln Blvd. Suite 210 Oklahoma City, OK 73105-4599

Dear Accreditation Standards Division:

McAlester Public Schools is requesting a Statutory Waiver/Deregulation for William Gay Early Childhood Center library. The District has purchased classrooms book for each teacher at William Gay. The books can be moved/switched with other classrooms during the year and would give students better access to books without having the need for a librarian.

I would greatly appreciate your consideration of this request. Thank you.

Sincerely,

Randy Hughes
Superintendent

Statute/Oklahoma Administrative Code to (specify statute or OAC (deregulation) numb		OAC <u>210: 35-5-7</u> LM Services
Original signatures are required. The attached question	onnaire must be answered to process.	

A. Reason for the waiver/deregulation request (be specific).

Catoosa Public Schools Cherokee Elementary is requesting a deregulation from 210:35-5-71 Staffing: The school shall provide staffing for the media program for schools with 300 - 499 students through one full time library media specialist (librarian) or half time certified library media specialist (librarian) and a full-time library assistant. Cherokee Elementary has approximately 436 students enrolled in grades P4 and 3-5. With immediate needs that support distance and virtual learning as well as loss of learning, the site will focus the budget on an instructional technology coach and intervention.

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

We have a full-time library assistant that will make periodic presentations to students, will hold classes in the library and teach research skills and check out books and materials when appropriate. The site principal is a certified library-media specialist and we have full time library-media specialists at the Middle School and High School that will provide guidance to the library assistant and make periodic presentations to Cherokee Elementary students. The library will be available to students everyday therefore we do not anticipate any negative impact on the educational benefits and learning achievement for students.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

Students will continue to have access to the library and will have periodic presentations from a library/media specialist, therefore we do not anticipate any change in student performance levels.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary, or described in instructions. A waiver/deregulation can be granted for up to 3 years. (Please see instructions for additional requirements) Cherokee's library will still be open every day all day. When appropriate, classroom teachers will take classes to the library to check out materials and assist with library and research skills. E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation. The District will not have the salary for a library media specialist but will have a full-time library media assistant as well as an instructional technology coach. The budget will remain neutral, but we realize it would be best for our students to have a librarian in place and will work toward that for the future.

F. Describe method of assessment or evaluation of effectiveness of the plan.

Evaluations will be based on library usage, survey of teachers in ease of use, availability, etc., and number of books checked out. This information will be used to compare to previous year's usage where data is available. In addition, student test scores and classroom grades will be compared to ensure success of each student.

^{**} You will be contacted if more information is needed to process this request.

NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?
 - We are requesting a waiver due to the fact that our Upper Elementary and Middle School share a library. This library is staffed by one librarian, who also has the assistance of an aide. If the waiver is denied, we will have to employee an additional librarian, which is not needed.

B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied. The library does not have enough traffic to necessitate two full-time librarians. The current staffing of one librarian and one aide is sufficient. If our waiver were denied and we were to be required to hire an additional librarian, those funds would be taken from another area that is more needed.

C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect? Yes, we have been given this deregulation before. This has had no negative effect on student performance and has allowed money to be spent in other areas that are more needed.

D.	Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary. There are no schedules to attach to this document.
E.	Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated. The proposed deregulation would allow funds to be spend in areas that are more needed than an additional librarian.
F.	Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc. We will look at test scores (OSTP and NWEA) as well as the TLE to determine the effectiveness of staffing and the impact to students.
** You	will be contacted if more information is needed to process this request.

STATUTORY WAIVER/DEREGULATION APPLICATION INSTRUCTIONS

(Oklahoma Deregulation Act, 70 O.S. § 3-124, et seq.)

Accreditation Standards Division

2500 North Lincoln Boulevard, Suite 210 • Oklahoma City, Oklahoma 73105-4599

Statutory Waivers/Deregulations for the next year will be accepted from April 1 through October 1, with the following exceptions:

• Resignation of staff causing changes in library media service requirements after October 1.

Other waivers/deregulations such as teachers attending school to obtain library media specialist certificates, alternative school abbreviated days, and waivers of alternative school coop agreements, should all be decided and applied for by October 1st of the current school year.

(For submission of a Statutory Waiver/Deregulation after October 1, call Accreditation, (405) 521-3335.)

NOTE: Beginning July 1, 2018, waivers and deregulations can be requested for three years. (Library Media Specialist Certificate Exemption must provide proof of enrollment for the applicant every year. Library Media Services must provide a schedule of operation every year.)

If you need technical assistance, please discuss the application with the Accreditation Division, (405) 521-3335.

Preparing the Statutory Waiver/Deregulation

- **Submit a cover letter on school letterhead**, with the superintendent's signature, with a brief explanation of the request for a statutory waiver/deregulation.
- 2 Complete entire cover page.
 - Original signatures of the Superintendent, Principals, Board President and notary with a stamp/seal are required.
 - Cite the statute/OAC number in Title 70 or the Oklahoma Administrative Code to be waived (See below).
 - The questionnaire following the cover sheet must be answered in order to process the application.
 - For Library Media Specialist (teacher obtaining their LMS degree & certification), the teacher affected must include a letter of their intent to obtain the degree/certificate and proof of their enrollment in classes at a qualified university/college for the area of study.
 - For adjunct teacher waivers: Application must include board minutes approving the teacher as an adjunct (For those teaching more than three hours per day, 270 hours per semester).
 - For abbreviated day deregulation: Application must include a schedule of hours of instruction and numbers of days taught per week.
 - For library media services deregulation: Application must include a schedule of operation for the library, hours the library is open and a list of who is scheduled to cover those hours.

3 A Statutory Waiver/Deregulation can be requested for the following statutes and Oklahoma Administrative Codes:

STATUTORY WAIVERS

- 70 O.S. § 1-112 Saturday School
- 70 O.S. § 6-122.3 Adjunct Teachers teaching for more than three hours a day or 270 clock hours per semester.
- 70 O.S. § 3-126 <u>Library Media Specialist/waive certification only</u> teacher attending college/university to obtain Library Media Specialist certification.
- 70 O.S. § 1210.568 <u>COOP Agreement</u> When a public school wants to serve fewer than 10 students in the alt ed program instead of COOPing with other districts.

NOTE: Statute 70 O.S. § 1-111 - Two Instructional Days in a 24 Hour Period (Parent Teacher Conference) and 70 O.S. § 1-109 - Extended/Flexible Day no longer requires a statutory waiver.

DEREGULATIONS

- OAC 210:35-5-71 <u>Library Media Services Elementary School</u> School is changing the standard of library services for their size school.
- OAC 210:35-7-61 <u>Library Media Services Middle School</u> School is changing the standard of library services for their size school.
- OAC 210:35-9-71 <u>Library Media Services Secondary School</u> School is changing the standard of library services for their size school.
- OAC 210:35-29-2 <u>Abbreviated Day Alternative Education</u> Use both citations for an alternative school to operate with abbreviated hours, less than four hours and 12 minutes of instruction per day, five days a week, or 756 hours per year.
- OAC 210:35-3-46 <u>Superintendent, Elementary & Secondary Principal certificate</u> serve as High School and Elementary School Principal with a school enrollment more than 500 (requires a dereg.)

NOTE: OAC 210:35-5-42 & 210:35-9-43 - Planning Period Deregulations, no longer requires a deregulation.

In addition, the *School District Empowerment Program*, 70 O.S. § 3-129.11, allows a local school district to request to the State Board of Education an exemption from all statutory requirements and State Board of Education rules from which charter schools are currently exempt.

Deregulation for Library Media Services Secondary School

OAC 210:35-9-71

Oologah High School is asking for a deregulation waiver for Library Media Services Secondary School. Mrs. Laila Deffenbaugh is our certified librarian. However, we have been unable to hire a library assistant for her. Since the high school has approximately 510 students, we are required to have a library assistant. We are asking for this deregulation of OAC 210:35-9-71 so that we may continue to serve our students.

NAME OF WAIVER

A.	Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?
	We have encountered difficulty finding a library aid for Mrs. Deffenbaugh our certified Librarian.

B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.
Mrs. Deffenbaugh, our certified Librarian has the library open from 7:45-3:10.
Any students that need anything may use it during those times. If classes are scheduled in there, the sending teacher also attends to help with the students.

C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Yes, we have been awared this before, we so no adverse effects on our students.

D.	Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary. Our current librarian will be evaluated was normal with teh TLE, she does not teach a class so the library doors are always open to students during school hours, at lunch, and 15 minutes before and after school.
E.	Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated. N/A
F.	Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc. Collaboration of all parties will be sued to evaluate the effectiveness of the library. We also will surbey the teachers and students to insure we are meeting the needs of our students and our school.
** You	will be contacted if more information is needed to process this request.

STATUTORY WAIVER/DEREGULATION APPLICATION INSTRUCTIONS

(Oklahoma Deregulation Act, 70 O.S. § 3-124, et seq.)

Accreditation Standards Division

2500 North Lincoln Boulevard, Suite 210 • Oklahoma City, Oklahoma 73105-4599

Statutory Waivers/Deregulations for the next year will be accepted from April 1 through October 1, with the following exceptions:

• Resignation of staff causing changes in library media service requirements after October 1.

Other waivers/deregulations such as teachers attending school to obtain library media specialist certificates, alternative school abbreviated days, and waivers of alternative school coop agreements, should all be decided and applied for by October 1st of the current school year.

(For submission of a Statutory Waiver/Deregulation after October 1, call Accreditation, (405) 521-3335.)

NOTE: Beginning July 1, 2018, waivers and deregulations can be requested for three years. (Library Media Specialist Certificate Exemption must provide proof of enrollment for the applicant every year. Library Media Services must provide a schedule of operation every year.)

If you need technical assistance, please discuss the application with the Accreditation Division, (405) 521-3335.

Preparing the Statutory Waiver/Deregulation

- 1 Submit a cover letter on school letterhead, with the superintendent's signature, with a brief explanation of the request for a statutory waiver/deregulation.
- 2 Complete entire cover page.
 - Original signatures of the Superintendent, Principals, Board President and notary with a stamp/seal are required.
 - Cite the statute/OAC number in Title 70 or the Oklahoma Administrative Code to be waived (See below).
 - The questionnaire following the cover sheet must be answered in order to process the application.
 - For Library Media Specialist (teacher obtaining their LMS degree & certification), the teacher affected must include a letter of their intent to obtain the degree/certificate and proof of their enrollment in classes at a qualified university/college for the area of study.
 - For adjunct teacher waivers: Application must include board minutes approving the teacher as an adjunct (For those teaching more than three hours per day, 270 hours per semester).
 - For abbreviated day deregulation: Application must include a schedule of hours of instruction and numbers of days taught per week.
 - For library media services deregulation: Application must include a schedule of operation for the library, hours the library is open and a list of who is scheduled to cover those hours.

3 A Statutory Waiver/Deregulation can be requested for the following statutes and Oklahoma Administrative Codes:

STATUTORY WAIVERS

- 70 O.S. § 1-112 Saturday School
- 70 O.S. § 6-122.3 Adjunct Teachers teaching for more than three hours a day or 270 clock hours per semester.
- 70 O.S. § 3-126 <u>Library Media Specialist/waive certification only</u> teacher attending college/university to obtain Library Media Specialist certification.
- 70 O.S. § 1210.568 <u>COOP Agreement</u> When a public school wants to serve fewer than 10 students in the alt ed program instead of COOPing with other districts.

NOTE: Statute 70 O.S. § 1-111 - Two Instructional Days in a 24 Hour Period (Parent Teacher Conference) and 70 O.S. § 1-109 - Extended/Flexible Day no longer requires a statutory waiver.

DEREGULATIONS

- OAC 210:35-5-71 <u>Library Media Services Elementary School</u> School is changing the standard of library services for their size school.
- OAC 210:35-7-61 <u>Library Media Services Middle School</u> School is changing the standard of library services for their size school.
- OAC 210:35-9-71 <u>Library Media Services Secondary School</u> School is changing the standard of library services for their size school.
- OAC 210:35-29-2 <u>Abbreviated Day Alternative Education</u> Use both citations for an alternative school
 to operate with abbreviated hours, less than four hours and 12 minutes of instruction per day, five days a
 week, or 756 hours per year.
- OAC 210:35-3-46 <u>Superintendent, Elementary & Secondary Principal certificate</u> serve as High School and Elementary School Principal with a school enrollment more than 500 (requires a dereg.)

NOTE: OAC 210:35-5-42 & 210:35-9-43 - Planning Period Deregulations, no longer requires a deregulation.

In addition, the **School District Empowerment Program**, 70 O.S. § 3-129.11, allows a local school district to request to the State Board of Education an exemption from all statutory requirements and State Board of Education rules from which charter schools are currently exempt.

*Original signatures are required. The attached quest	ionnaire must be answered to process.**	

A. Reason for the waiver/deregulation request (be specific).
Central High is seeking a waiver for a certified librarian in our school library and to use a full time aide in that position.
B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.
We are a small school and have only one library that services the district. It is not economically feasible to have a certified librarian. We currently employ a full time aide who provides services in our library. Students will receive the same services as they would normally.
C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.
There should no impact on student performance. Central High will still have the library open every day for student and teacher use.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary, or described in instructions. A waiver/deregulation can be granted for up to 3 years. (Please see instructions for additional requirements)
A waiver/deregulation can be granted to up to a yourself that the granted that t
The library will be open to students and staff to check out books and library resources from 8:00 am to 3:20 pm Monday through Friday when classes are in session.
- 4 (1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1
E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.
The effect is positive and reduces the cost of the library program and frees up money to pay teacher salaries and reduce class size.
F. Describe method of assessment or evaluation of effectiveness of the plan.
Program effectiveness is evaluated with student AR program results, reading scores and parent input on library services.

** You will be contacted if more information is needed to process this request.

To Whom It May Concern:

Central High Public Schools is seeking a waiver/deregulation for having a full-time certified librarian in our library. We are a small rural district with limited financial resources. We propose to staff our library with a full-time library aide to reduce costs and put more money into teacher salaries for class room instruction.

*Original signatures are required. The attached questionnaire must	t be answered to process.**	NAME OF WAIVER

A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Broken Arrow Public Schools is requesting a Statutory Waiver/Deregulation of OAC 210:35-5-71 Library Media Services for Aspen Creek Elementary regarding media center staffing. Due to public school funding constraints, we request to employ one full-time certified library media specialist with no assistant.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied. Aspen Creek Elementary strives to meet the needs of our students through a diverse set of instructional experiences. We will continue to serve our students with library media services that enhance student achievement and reading literacy. Aspen Creek will utilize our Media Specialist, Ms. Newman and a media volunteer in our media center to assist in tasks such as answering phone calls, checking books in and out, returning books to the shelves, managing the front desk, copying and sorting documents, and assisting students with basic questions. Theses are jobs and tasks that would otherwise have been performed by a media assistant. Should the waiver be denied, funding from various programs supporting literacy, RTI, instruction and diverse student needs would likely be pulled to fund the assistant salary. These programs are critical to ensuring student success at Aspen Creek.
- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect? Aspen Creek did not request deregulation due to enrollment. However, other school sites in the district were awarded deregulation. We did not have a library media assistant last year as our enrollment only required one certified media specialist. Other sites in the district do not seem to be impacted by not employing a media assistant. Our media specialist is skilled in supplementing classroom reading and literacy instruction. Library media is one of our specialty rotations. No impact on student performance is expected.

D.	Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.
	The media center schedule will not change and students will have access to all resources as needed. The media center operation schedule for Aspen Creek Elementary is attached.
E.	Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.
	Past deregulation of library media services has allowed Broken Arrow Public Schools to utilize the salary of the eliminated library assistant to fund positions and instructional programs deemed more vital to student learning and achievement.
_	
F.	Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.
	The certified media specialist will continue to be evaluated utilizing the district's TLE model and will be held to a standard of effective or higher. RSA, OSTP, STAR, Literacy Now, NSGRA and formative assessment scores will be monitored to assure that student achievement levels do not suffer as a result of the deregulation.
** You	will be contacted if more information is needed to process this request.

August 9, 2021

Oklahoma State Department of Education Accreditation Standards Division 2500 North Lincoln Boulevard, Suite 210 Oklahoma City, OK 73105-4599

RE: Deregulation Application for Broken Arrow Public Schools

Broken Arrow Public Schools is requesting a one-year deregulation approval for the following Oklahoma Administrative Codes:

OAC 210:35-5-71 - Library Media Services Elementary School

OAC 210:35-7-61 - Library Media Services Middle School

OAC 210:35-9-71 - Library Media Services Secondary School

Due to continued funding cuts sustained by the district, we have eliminated Media Aide positions at all school sites.

Sincerely,

Dr. Janet Vinson

Superintendent

A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Broken Arrow Public Schools is requesting a Statutory Waiver/Deregulation of OAC 210:35-5-71 Library Media Services for Country Lane Primary regarding media center staffing. Due to public school funding constraints, we request to employ one full-time certified library media specialist with no assistant.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.
 - BAPS/Country Lane Primary will continue to serve our students with library media services that enhance student achievement and reading literacy. Country Lane Primary (CLP) will utilize parent volunteers in covering the duties that would be performed by a library assistant. In order for the media specialist to focus on student learning, volunteers will assist in tasks such as promoting books to student readers, checking books in and out, returning books to the shelves, and managing the front desk. Parent volunteers have proven to be vital in the operation of our media center. The same volunteers have been returning to our school for a number of years and understand media center procedures. Should the waiver be denied, funding from various programs supporting literacy, RTI, instruction and diverse student needs would likely be pulled to fund the assistant salary.
- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?
 - Yes. CLP was granted a deregulation waiver in 2020-21 and the impact to student learning was minimal. Student performance level on benchmark testing was consistently at or above grade level and continued to show learning progression and mastery of concepts. With many sites in the district requesting deregulation, the impact should be equal.

D.	Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary. The media center schedule will not change and students will have access to all resources as needed. The media center operation schedule for Country Lane Primary is attached.
E.	Any financial impact to the District (positive or negative) for the proposed deregulation? If
	positive please describe where the available would be reallocated. Past deregulation of library media services has allowed Broken Arrow Public Schools to utilize the salary of the eliminated library assistant to fund positions and instructional programs deemed more vital to student learning and achievement.

A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Broken Arrow Public Schools is requesting a Statutory Waiver/Deregulation of OAC 210:35-5-71 Library Media Services for Country Lane Intermediate regarding media center staffing. Due to public school funding constraints, we request to employ one full-time certified library media specialist with no assistant.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.
 BAPS/Country Lane Intermediate will continue to serve our students with library
 - media services that enhance student achievement and reading literacy. Country Lane Intermediate (CLI) will utilize trained support staff in our media center to assist in tasks such as sanitation and disinfecting of books and equipment, answering phone calls, checking books in and out, returning books to the shelves, managing the front desk, and assisting students. With the routine tasks taken care of, the media specialist will be able to continue with reading and literacy programs that promote student learning and research. CLI has also increase our Chromebook inventory which will enhance research, literacy appreciation and reading for enjoyment in our classrooms. Should the waiver be denied, funding from various programs supporting literacy, RTI, instruction and diverse student needs would likely be pulled to fund the assistant salary.
- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?
 - Yes. CLI was granted a deregulation waiver in 2020-21 and the impact to student learning was minimal. The small decrease in ELA scores on state testing was to be expected given the presence of Covid-19. Our media specialist is skilled in supplementing classroom reading and literacy instruction. Library media is one of our specialty rotations.

	D.	Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.
		The media center schedule will not change and students will have access to all resources as needed. The media center operation schedule for Country Lane
		Intermediate is attached.
	Ε.	Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.
		Past deregulation of library media services has allowed Broken Arrow Public Schools to utilize the salary of the eliminated library assistant to fund positions and instructional programs deemed more vital to student learning and achievement.
	F.	Describe method of assessment or evaluation of effectiveness of the plan both for staff and
		students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.
•		The certified media specialist will continue to be evaluated utilizing the district's TLE model and will be held to a standard of effective or higher. RSA, OSTP, STAR, Literacy Now, NSGRA and formative assessment scores will be
		monitored to assure that student achievement levels do not suffer as a result of the deregulation.

NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?
 - Broken Arrow Public Schools is requesting a Statutory Waiver/Deregulation of OAC 210:35-5-71 Library Media Services for Creekwood Elementary regarding media center staffing. Due to public school funding constraints, we request to employ one full-time certified library media specialist with no assistant.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.
 Creekwood Elementary strives to meet the needs of our students through a diverse set of instructional experiences. We will continue to serve our students with library media services that enhance student achievement and reading literacy. Creekwood will utilize parent/grandparent/community volunteers in our media center to assist in covering tasks that would be performed by a library assistant. These tasks include assisting students and teachers with book locations, delivering Chromebook carts to classrooms, circulating a book cart, checking books in and out, and returning books to the shelves. Our volunteers share a common goal and aim to assist our students, teachers, and staff. Should the waiver be denied, funding from various programs supporting literacy, RTI, instruction and diverse student needs would likely be pulled to fund the assistant salary.
- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?
 - Yes. Creekwood Elementary was awarded this deregulation last year. The impact on student performance was minimal. Scores on OSTP, STAR, Literacy Now, NSGRA, RSA and formative assessments did not suffer due to the deregulation of library media services. Since many sites in the district are requesting this deregulation, any impact would be equal across the district.

D.	Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary. The media center schedule will not change and students will have access to all resources as needed. The media center operation schedule for Creekwood Elementary is attached.
Ε.	Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated. Past deregulation of library media services has allowed Broken Arrow Public Schools to utilize the salary of the eliminated library assistant to fund positions and instructional programs deemed more vital to student learning and achievement.
F.	Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc. The certified media specialist will continue to be evaluated utilizing the district's TLE model and will be held to a standard of effective or higher. RSA, OSTP, STAR, Literacy Now, NSGRA and formative assessment scores will be monitored to assure that student achievement levels do not suffer as a result of the deregulation.
∕ou	will be contacted if more information is needed to process this request.

NAME OF WAIVER

Broken Arrow Public Schools is requesting a Statutory Waiver/Deregulation of OAC 210:35-5-71 Library Media Services for Highland Park Elementary regarding media center staffing. Due to public school funding constraints, we request to employ one full-time certified library media specialist with no assistant.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.
 - Highland Park Elementary strives to meet the needs of our students through a diverse set of instructional experiences. We will continue to serve our students with library media services that enhance student achievement and reading literacy. Highland Park will utilize front office staff and parent volunteers in our media center to assist in covering tasks that would be performed by a library assistant. Our media specialist, Mrs. Clayton, makes student literacy a priority and she has implemented a number of strategies to encourage reading for fun, as well as education. So Mrs. Clayton can continue her work, our office staff and volunteers perform duties that were expected of the library assistant. These tasks include assisting students and teachers with book locations, checking books in and out, sanitation of books and equipment, Should the waiver be denied, funding from various programs supporting literacy, RTI, instruction and diverse student needs would likely be pulled to fund the assistant salary.
- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Yes. Highland Park Elementary was awarded this deregulation last year. No impact on student performance levels was noticed. Scores on OSTP, STAR, Literacy Now, NSGRA, RSA and formative assessments continued to show mastery of concepts and progress with literacy skills. Since many sites in the district are requesting this deregulation, any impact would be equal across the district.

D.	Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary. The media center schedule will not change and students will have access to all resources as needed. The media center operation schedule for Highland Park Elementary is attached.
E.	Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated. Past deregulation of library media services has allowed Broken Arrow Public Schools to utilize the salary of the eliminated library assistant to fund positions and instructional programs deemed more vital to student learning and achievement.

NAME OF WAIVER

A. Reason for the waiver/deregulation request (be specific).

Broken Arrow Public Schools is requesting a Statutory Waiver/Deregulation of OAC 210:35-5-71 Library Media Services for Liberty Elementary regarding media center staffing. Due to public school funding restraints, we request to employ one full-time certified library media specialist with no assistant.

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

BAPS/Liberty Elementary will continue to provide the best service possible to our students. Liberty Elementary will utilize front office staff, trained teachers, media specialist, parent volunteers and student media club in the media center to assist in covering the job duties that would be performed by a library assistant. In order for the library media specialist to focus on students, the person covering will perform such duties as media check in and out. Our media center is open to students from 8:45-4:10. Our student media club will learn about maintaining media resources and will be trained to help shelve books before and after school. Front office, support staff and parent volunteers are available to assist at times throughout the day when needed. Our media specialist is not in our specials rotation, so she is able to focus her time with student and teacher specific needs that are unique to each circumstance on the services she provides.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

The educational effect on student performance levels is expected to be minimal. All sites in the district are requesting this deregulation so any impact should be equal.

necessary, or described in instructions. A waiver/deregulation can be granted for up to 3 years. (Please see instructions for additional requirements)
A waiver/desegulation can be granted for up to 3 years. (Please see instructions for additional requirements)
The media center schedule will not change and students will have access to resources as needed. Attached is the media center operation schedule for Liberty Elementary.
E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.
The deregulation will allow Broken Arrow Public Schools to utilize the salary of the eliminated library assistant to fund positions and programs deemed more vital to student learning and achievement.
F. Describe method of assessment or evaluation of effectiveness of the plan.
To evaluate the effectiveness of this plan, media center circulation data will be compared for the proceeding two years against that of 2020-21.

NAME OF WAIVER

*Original signatures are required. The attached questionnaire must be answered to process.**

Broken Arrow Public Schools is requesting a Statutory Waiver/Deregulation of OAC 210:35-5-71 Library Media Services for Spring Creek Elementary regarding media center staffing. Due to public school funding constraints, we request to employ one full-time certified library media specialist with no assistant.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.
 - BAPS/Spring Creek Elementary is committed to serving our students with library media services that enhance student achievement and reading literacy. Each class at Spring Creek attends a weekly library class to participate in story time or in a library skills lesson taught by our certified media specialist, Stephanie Watkins. With the elimination of the library assistant, duties like shelving books, checking books in and out, assisting with students, logging computer usage, circulating new material, and putting together bulletin boards will be performed by parent/grandparent volunteers, community education partners, student assistants, and other building staff. Their work will allow Ms. Watkins to assist students in becoming effective users of ideas, resources and information. Should the waiver be denied, funding from various programs supporting literacy, RTI, instruction and diverse student needs would likely be pulled to fund the assistant salary.
- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?
 - Yes. Spring Creek Elementary was awarded this deregulation last year. Student performance did not suffer due to the elimination of the library assistant position. Broken Arrow Public Schools is requesting a Statutory Waiver/Deregulation of OAC 210:35-5-71 Library Media Services for Timber Ridge Elementary regarding media center staffing. Due to public school funding constraints, we request to employ one full-time certified library media specialist with no assistant.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.
 - BAPS/Timber Ridge Elementary is committed to serving our students with library media services that enhance student achievement and reading literacy. Timber Ridge has a wealth of parent volunteers who graciously donate their time and talent in the media center. In the rare event that a volunteer is not available, office staff will rotate to help with library coverage. All parties have been trained to handle tasks that would have been performed by a library assistant. Duties like shelving books, checking books in and out, assisting with students, traveling with the book cart, cataloging new media materials, escorting students and performing minor book repair will be done by our volunteers or office staff.

 Janice Buchanan, media specialist, works with all classes during the week as part of our specials rotation. Should the waiver be denied, funding from various programs supporting literacy, RTI, instruction and diverse student needs would likely be pulled to fund the assistant salary.
- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Yes. Timber Ridge Elementary was awarded this deregulation last year. Student performance did not suffer due to the elimination of the library assistant position. Scores on OSTP, STAR, Literacy Now, NSGRA, RSA and formative assessments continued to show progress with literacy skills and were on target with what was expected. Since many sites in the district are requesting this deregulation, any impact would be equal across the district.

D.	Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary. The media center operation schedule for Timber Ridge Elementary is attached.
	This schedule will not deviate due to staffing and student access will not be restricted.
E.	Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.
	Past deregulation of library media services has allowed Broken Arrow Public Schools to utilize the salary of the eliminated library assistant to fund positions and instructional programs deemed more vital to student learning and achievement.
F.	Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.
	The certified media specialist will continue to be evaluated utilizing the district's TLE model and will be held to a standard of effective or higher. RSA, OSTP, STAR, Literacy Now, NSGRA and formative assessment scores will be monitored to assure that student achievement levels do not suffer as a result of the deregulation.
Vali	will be contacted if more information is needed to process this request.

8/4/2021

To Whom It May Concern:

The following information shows our Media Center's schedule during the day.

9:15-9:20 Book Return

9:20-10:00 5th Grade Library

10:05-10:45 4th Grade Library

10:50-11:30 3rd Grade Library

11:30-11:50 Open Check-out

11:50-1:00 Classroom check-out, volunteer coverage

1:00-1:30 Open Checkout

1:30-2:10 Kindergarten Library

2:15-2:55 1st Grade Library

3:00-3:40 2nd Grade Library

3:40-4:00 Book Return

Sincerely,

Tiffany Green

OAC 210:35-5-71

Broken Arrow Public Schools is requesting a Statutory Waiver/Deregulation of OAC 210:35-5-71 Library Media Services for Wolf Creek Elementary regarding media center staffing. Due to public school funding constraints, we request to employ one full-time certified library media specialist with no assistant.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.
 - BAPS/Wolf Creek Elementary is committed to serving our students with library media services that enhance student achievement and reading literacy. Student leaders in the 5th grade, PTA volunteers, community volunteers and office staff will perform duties that would normally be done by a library assistant. Our media specialist plays an integral part of our instructional team and provides lessons covering a variety of literacy and research skills which foster a love of reading and listening. The library team will help to shelve books, check books in and out, assist students, escort library guests, deliver technology to classrooms and read during story time. Online media services will also continue through the use of the Destiny library management system. Should the waiver be denied, funding from various programs supporting literacy, RTI, instruction and diverse student needs would likely be pulled to fund the assistant salary.
- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?
 - Yes. Wolf Creek Elementary was awarded this deregulation last year. Student performance did not suffer due to the elimination of the library assistant position. Scores on OSTP, STAR, Literacy Now, NSGRA, RSA and formative assessments continued to show progress with literacy skills and were on target with what was expected. Since many sites in the district are requesting this deregulation, any impact would be equal across the district.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The media center operation schedule for Wolf Creek Elementary is attached. This schedule will not deviate due to staffing and student access will not be restricted. Class rotations for 40-minute specials will continue each week. The library will be covered by WC staff &/or PTA volunteers during the Library Media Specialist's lunch and planning period.

E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

Past deregulation of library media services has allowed Broken Arrow Public Schools to utilize the salary of the eliminated library assistant to fund positions and instructional programs deemed more vital to student learning and achievement.

F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The certified media specialist will continue to be evaluated utilizing the district's TLE model and will be held to a standard of effective or higher. RSA, OSTP, STAR, Literacy Now, NSGRA and formative assessment scores will be monitored to assure that student achievement levels do not suffer as a result of the deregulation.

^{**} You will be contacted if more information is needed to process this request.

RE: Media Center Schedule

To Whom It May Concern:

During the 2021-2022 school year, Sarah Belt will serve as Media Specialist in the Centennial Middle School library. The library will be open on the following schedule:

Before School: 8:05-8:35

During School Hours: 8:35-3:20

After School: 3:20-3:40

In order to keep the library open continuously throughout the day, office staff will provide coverage for Ms. Belt's lunch break, meetings, or other events.

Thank you,

Kristin Graves

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.
 - Sequoyah Middle School takes pride in providing quality media center services to our students. We utilize student aides and volunteers in our media center to assist in tasks that would be performed by a media assistant. Media Specialist, Pamela Jones, will continue to provide guidance and quality instruction to SMS students as their research and reading skills grow. The 1:1 technology initiative of BAPS allows every student at SMS to have a Chromebook which they utilize daily. Ms. Jones provides high-quality resources to students so they maximize the information available through on-line resources. The development of research, reading, and report writing skills aid our students in the classroom and will benefit them as the proceed with their education.
- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?
 - Yes. There have been minimal impacts to student performance and the certified media specialist continues to provide exceptional instruction. Student achievement and test scores remained in line with expectations in 2020. Other sites in the district are requesting deregulation so any impact will be equal.

D.	Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary. The media center schedule will not change and students will have access to all resources as needed. The media center operation schedule for Sequoyah Middle School is attached.
E.	Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.
	Past deregulation has allowed Broken Arrow Arrow Public Schools to utilize the salary of the eliminated library assistant to fund positions and instructional programs deemed more vital to student learning and achievement.
F.	Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.
	The certified media specialist will continue to be evaluated utilizing the district's TLE model and will be held to a standard of effective or higher. PSAT 8, OSTP, STAR, Literacy Now, and formative assessment scores will be monitored to assure that student achievement levels do not suffer as a result of the deregulation.

Broken Arrow Public Schools is requesting a Statutory Waiver/Deregulation of OAC 210:35-9-17 Library Media Services for Broken Arrow Freshman Academy regarding media center staffing. Due to public school funding constraints, we request to employ one full-time certified library media specialist with no assistant.

B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

BAPS/Broken Arrow Freshman Academy will continue to provide the best service possible to our students. Broken Arrow Freshman Academy will utilize ____Sarah Galbreath____ in the media center to assist in covering the job duties that would be performed by a library assistant. In order for the media specialist to focus on students, the person covering will perform such duties as overseeing resource check-out and check-in. Students can also utilize their Chromebooks to look up books in the library by using our Destiny library catalog, access on-line research articles and view videos related to educational topics. Chromebooks are provided to all students at Broken Arrow Freshman Academy through the BAPS 1:1 technology initiative.

C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Yes. Student performance has not been impacted in prior years. PSAT 9 scores have increased in the Evidence-Based Reading and Writing section have increased steadily from 435 in 2018 to 441 in 2020. The impact to other sites in the district is expected to be minimal.

	·
D.	Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary. The media center schedule will not change and students will have access to resources without interruption. The media center operation schedule for Broken Arrow Freshman Academy is attached.

DATE RECEIVED

70 O.S.

OAC <u>210:35-9-71</u> LM Services

We have been unsuccessful in finding a certified medial specialist. Being a small school, a paraprofessional is able to successfully maintain the library with assistance from teachers as needed. This allows all certified staff to be in the classroom with students impacting student achievement in a positive manner.

B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied. The district plans to have the library open during school hours with students able to use the library for research and reading for pleasure using a trained paraprofessional. If the waiver were to be denied, a certified staff member would have to fill the library position resulting in one less certified teacher in the classroom. Class sizes would increase and course offerings reduced with a negative impact on student achievement.

C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect? The degregulation has been awarded before for a staff member who was not a certified library media specialist. We have moved the certified staff member to the classroom full time in order to increase student achievement. This does not impact other school sites in the district. We expect for the library to function successfully, for class sizes to be reduced, and for students to have broader course choices.

D.	Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary. Library operation hours attached.
E.	Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated. The district is able to pay an hourly position to manage the library while the certified staff pay directly impacts the classroom. These financial decisions have a positive impact.
F.	Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc. This decision will be assessed based on student and teacher feedback on library management.
/ou	will be contacted if more information is needed to process this request.

To Whom it May Concern:

Liberty Junior High/High School is requesting to wave OAC 210:35-7-61 and OAC 210:35-9-71 for the 2021-2022 school year. The district would like to manage the library with a paraprofessional to increase the number of certified teachers in the classroom. This decision will help to increase academic achievement and course offerings within the District budget.

Respectfully,

Dr. Phillip Garland, Superintendent

The Forgan Public School is a very small rural school located in the Panhandle of Oklahoma. Our entire student body consists of 112 students from prek-12th grade. Our librarian took a job in Kansas. We posted the position for the last two years and received no applications for the position. We have been able to cover with a certified teacher that is on staff and we have aides that assist in the library if needed.

We will continue with the part time certified teacher and aide in our library if the request is denied.

B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

All elementary and high school language teachers are trained in the use of the software in the library. The part time certified teacher is in the district to assist if needed during her off library hours. The deregulation allows the students to go to the library with their trained teacher any time. I do not believe their will be any negative impact on the students but believe they will be utilizing the library more oftern

C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?
No this deregulation has not been requested before to my knowledge.
The District will continue to try to employee a certified librarian as funds are available.

D.	Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary. Immediately. We have already been utilizing the library.
E.	Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated. This will would save us approximately \$20,000.00 by not having a certified librarian. The funds will be used to pay the aides and the part time teacher to oversee the library.
F.	Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc. The administration and staff will meet and evaluate the use of the library. We will look at the amount of books checked out and the amount of time the library is used for research. We will monitor the grades and scores on the OSTP and STAR to determine if the reading scores are rising.
** You	will be contacted if more information is needed to process this request.

Burges

P.O. BOX 406

FORGAN, OKLAHOMA 73938

August 10, 2022

To: OSDE

Forgan Public Schools is experiencing a decline in revenue. Our Temporary Appropriations estimate that we will receive about 1.6 million dollars. Our revenue has typically been around the 1.9 to 2 million dollar range. We also get so very little formula money that any employee raises over the last several are an unfunded mandate for us. This situation has caused us to look for ways to save money.

One way that we are looking to save funds is by absorbing positions. We had four certified staff members that left this summer. We were able to absorb one of these positions and hire a retired teacher to come back half of a day. At the beginning of FY 2021, the district absorbed an elementary position and combined two classes. At the beginning of FY 2022, the district absorbed another elementary position. We are asking to deregulate our Library because of these circumstances.

We have developed a schedule of teachers, paraprofessionals and office staff; so that someone is in the library during the school day. Our teachers all have access to the library and have been trained to check out books. Our sixth grade teacher has become the administrator for our Accelerated Reader program, so that is still operational for us.

If you need anything else from us, please do not hesitate to ask. Thank you for your consideration on this matter.

Sincere

Superintendent

Forgan Public Schools

This deregulation is requested in order to provide full time library media services to students. Without the deregulation, it is possible that services would be restricted when requiring the district's LMS to physically be present at all site locations.

B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

The opportunity to hire a full time Library Media Specialist at the site has not developed for several years due to multiple workforce and budgetary issues. After the subsequent retirement of a specialist that had returned as 1/2 time the site has been able to employ full time support personnel that work under the direction of the district's remaining certified LMS. Additionally, a high school faculty member who plans on seeking certification lends support as available.

C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Yes. An arrangement where full time personnel works under the direction of the district's LMS has served students and teachers well regarding the continuity of services.

D.	Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary. The site library is in operation for the full 7 hour day as well as coordinates with alternative education.
E.	Any financial impact to the District (positive or negative) for the proposed deregulation? If
	positive please describe where the available would be reallocated. The staffing assignments made at the site have resulted in the districts ability to increase funding for learning and research materials made available to students and teachers.
F.	Describe method of assessment or evaluation of effectiveness of the plan both for staff and
	students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc. All measures of school and student effectiveness will be reviewed and considered when making decisions about future site and district library staff assignments.
** Yoı	u will be contacted if more information is needed to process this request.

Chad Hall, Superintendent

September 13th, 2021

Dear Oklahoma State Department of Education: Accreditation Division;

Please consider this request for a deregulation of OAC 210:35-9-71.

Our high school has employed full time support staff operating under the supervision of another Library Media Specialist in the district. This arrangement has been beneficial for the continuity of services while it has been difficult to find certified personnel. The district has used any realized financial advantages to reinvest in learning and research materials available to students and teachers.

Thank you for the flexibility to find staffing and resource solutions.

Best,

Chad Hall

*Original signatures are required. The attached question	naire must be answered to process.**	NAME OF WAIVER

A. Reason for the Waiver request. Please include circumstances which necessitate hiring a non certified library media specialist. What alternative means will be employed if your waiver is denied? Where is the applicant is as it pertains to their pursuit of their course of study? What percentage of your student population will benefit from the waiver if approved?

Oilton Public School is requesting a dergulation for the Elementary School and High School due to teacher shortage and availability of highly qualified teachers.

Staffing for Elementary School Librarian for fewer than 300 students 210:35-5-71 Staffing for Secondary School Librarian for fewer than 300 students 210:35-9-71

B. List alternate strategies/plans which the district/site proposes. How does this plan best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement? Please list any negative impact if the waiver were to be denied.

Our strategy is to have a full-time library assistant in the library a full day. The library assistant is a para-professional with several years of knowledge and experience in literacy education, information technology, and youth book selection collections. Accordingly, the service should be very close to last year with no disruption in services or contribution to student growth and development. The library will be open and accessible throughout the school day.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

We do not foresee any negative educational impact or decrease in services. Performance levels will be determined by the volume of books being checked out by students. We are not anticipating any decease in student participation but instead, are expecting an increase in circulation of library materials.

D.	Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.
	A timeline for change will begin August 2021 and continue through the end of the school year in May 2024.
E.	Any financial impact to the District (positive or negative) for the proposed waiver/deregulation? If positive please describe where the available would be reallocated.
	There will be no financial impact on the district due to the library deregulation.
F.	Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.
	The evaluation process will be monitoring the volume of books being checked out throughout the year, access to library services, and introduction of new materials. If we see major concerns, we will report immediately to the SDE.
** You	will be contacted if more information is needed to process this request.

Oilton Public Schools P.O. Box 130 Oilton, OK 74052

Matt Posey, Superintendent

Jenniffer Purvis, Principal

July 12, 2021

Accreditation Standards Division 2500 North Lincoln Boulevard Oklahoma City, OK 73105-4599

Office of Accreditation,

Oilton Public School is requesting to deregulate the library that serves both Oilton Elementary School and Oilton High School for the 2021-2024 school year (OAC 210:35-5-71 and OAC 210:35-9-71). The library is centrally located in the elementary building and serves both school sites.

We will continue to have a library assistant in the library to provide services for students and teachers. The library will remain open and staffed throughout the school day. Teachers will get the support they need in finding resources in the library.

Due to teacher shortages and availability of qualified teachers is specific areas, we are forced to use our current staff to teach the necessary core classes at the elementary and high school level. We have been doing an excellent job serving our students and educators well even with this deregulation.

Respectfully.

Dr. Matt Posey Superintendent

Oilton Public Schools

STIGLER PUBLIC SCHOOLS

DAVID MORGAN SUPERINTENDENT P: 918-967-2805 • www.stiglerps.com E: dmorgan@stiglerps.com 309 N.W. E Street Stigler, Ok 74462

8/2/2021

The purpose of this letter is to request a waiver for "Library Media Services" for Stigler Public School District including the OAC 210:35-9-71 high school, 70 OAC 210:35-7-61 middle school, and OAC 210:35-5-71 elementary school.

Stigler Public Schools had two librarians who retired at the completion of the 2020-21 school year and we have been unable to hire a qualified librarian for our elementary, middle school, or high school. We did have one certified librarian accept a position only to back out a few days later to remain in her hometown district. We have at this time a library assistant at each of our three sites and are asking for a waiver for the requirement of having a certified librarian for all three sites within the district.

We have three very good individuals employed in the library assistant role at each site and feel that this is a viable solution to meet the needs of our district.

Thank you for your time and consideration in this matter to fulfill the needs within our district!

Sincerely,

David Morgan Superintendent

So both Districts can have a Library Media Specialist to help students and staff with their needs in that area. To hopefully save the districts money also.		
B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.		
We will keep both libraries open, with the help of other staff members when the Library Media Specialist is not on site.		
C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.		
We feel like this will have no negative impact to the educational process. In fact we feel like it well have a positive impact by allowing both districts to have the access to a Specialist in this area. If not able to coop and share then we would potentially have one district with out a specilalist in this area.		

A. Reason for the waiver/deregulation request (be specific).

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary, or described in instructions. A waiver/deregulation can be granted for up to 3 years. (Please see instructions for additional requirements)
3 years, We would share the position 50/50 and split the cost fo the postoin 50/50/ Calendar
M-W and T-Th and every other friday.
E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.
Postitive financial impact is expected due to the splitting of the cost of the Library Media Specialist position.
F. Describe method of assessment or evaluation of effectiveness of the plan.
We can survey the staff for an evaluation of the effectiveness of the shared postion.
** You will be contacted if more information is needed to process this request.

BOARD OF EDUCATION Roscoe Yates, President Ashley Killion, Vice President Trex Smith, Clerk Mark Batt Daniel New

To OSDE/ OSDE Board of Education

6/30/2021

We are asking for a Deregulation for OAC 210:35-5-71 and 61 so we can at least have a certified media specialist part time in both districts. We visit often between districts and help each other out. She has enjoyed working with both districts for the last couple of years. She says it gives her the opportunity to see two places and see how things work differently and adjust better for both sites. This will also save both districts some money.

Cyal Walder

*Original signatures are required. The attached question	naire must be answered to process.**	NAME OF WAIVER

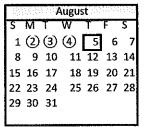

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?
 Cameron Public School's High School Library burned and only left the school with one open library at the elementary school. This created another issue of enrollement dropping and a loss of revenue. So Cameron Public School is asking for the deregulation to share a librarian with Arkoma Public Schools. This will also allow both schools to have a fianicial savings due to them sharing a librarian and help with the loss of revenue.
- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

 Cameron School will still have a certified librarian 2.5 days out of the week, then have a full time assistant with a certified teacher when the certified librarian is not available.

C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect? Yes this deregulation has been approved before. It didn't seem to impact the educational process in a negative way at all. The assistant did a remarkable job along with help from a certified teacher and the student performance levels were good.

D.	Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary. Attached
E.	Any financial impact to the District (positive or negative) for the proposed deregulation? If
	positive please describe where the available would be reallocated. Hiring a full time librarian assistant and library materials is where it will be reallocated too.
F.	Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.
	Students are accesed with the STAR Reading Program, library material cirulation rates, teacher observations and classroom report cards. The staff is accessed through principal evaluations and with TLE.
You	will be contacted if more information is needed to process this request.

CAMERON PUBLIC SCHOOL

P.O. Box 190 Cameron, Oklahoma 74932

HOME OF THE YELLOW LACK ETS

August 27, 2021

Accreditation Division
Oklahoma State Department of Education
2500 N. Lincoln Blvd.
Oklahoma City, OK 73105-4599

Accreditation,

Please find the attached copy of the School Site Statutory Waiver/Deregulation Application for Cameron Public Schools. This deregulation is being requested in regards to OAC 210:35-5-71, OAC 210:35-7-61 and OAC 210:35-9-71 - Library Services Elementary, Middle and Secondary School.

Cameron School is requesting a deregulation to change the standard of library services for our school size. If this deregulation is approved it will allow Cameron School to share a Library Media Specialist with Arkoma Public School a neighboring school district. This will be a savings for both schools and will allow funds to be put back into the media center to benefit the students. A library assistant will also be in place to keep the library fully maintained and open while the librarian is off campus.

We are requesting this deregulation for a 3 year period to include school years 2021-2022, 2022-2023 and 2023-2024.

Please consider this application for approval.

Sincerely,

John Long, Superintendent Cameron Public School

*Original signatures are required. The attached questionnaire must be answered to process.**

NAME OF WAIVER

- A. Reason for the Waiver request. Please include circumstances which necessitate hiring a non certified library media specialist. What alternative means will be employed if your waiver is denied? Where is the applicant is as it pertains to their pursuit of their course of study? What percentage of your student population will benefit from the waiver if approved? Pocola Schools is a school district of less than 999 students. We are sparated into 3 sites (Elementary, Middle School and High School). However, the Middle and High School are both located on the same piece of property. We currently have only one licensed Library Media Specialist on staff. We are sking for permission to use one (1) Library Media Specialist and two (2) full-time Library Assistants to cover the three (3) libraries.
- B. List alternate strategies/plans which the district/site proposes. How does this plan best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement? Please list any negative impact if the waiver were to be denied. The Pocola School District will rotate the Certified Library Media Specialist to the three sites on a regular, planned ratation and we will use the experienced assistants to provide coverage for book distribution/collections and other needed purposes.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.
The Pocola School District does not see a significant educational impact on the students. We are offering a similar number of reading classes, as well as reading remediation courses for those with concerns in that area.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.
 - 1) School Calendar
 - 2) Hours of Operation of Libraries

E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated. Pocola Schools has asked for a deregulation for their Library services dues to continuous decline inenrollment. Our librarian is located in the elentary while our two aides are in the middle school and high school. Pocola as not committee any extra funds in the past few years. PPS has asked for a dereg for many years due to lowering enrollment, and financial strains to the district.

F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

We will continue to monitor the progress of all students by continued benchmark and end of year testing in reading.

^{**} You will be contacted if more information is needed to process this request.

To:

State Board of Education

isty J. Shre

From:

Dusty Shore, Library Media Specialist, Pocola Public Schools

I am the certified district-wide Library Media Specialist in the Pocola Public Schools. My primary site is the Elementary Library. I teach lessons to all of our classes Pre-Kindergarten to 5th grades. My group time lasts 40 minutes and I generally have 4-5 classes per day. When I am not at the Elementary Site, my time is spent with the Assistants at the Middle School and High School Sites. I am very thankful for these Library Assistants experience, work ethics, and success they have achieved at their prospective sites. With improved technology and instance communications, our Library Media approach has been very successful.

Sincerely,

Dusty J. Shore

Pocola Library Media Specialist

II. The following "Patron" addressed the board.

Sandy Cox addressed the board with concerns about the adding of the 5 days to the calendar. Ms. Cox was representing the members of the OEA that had concerns about the 5 days being added to the calendar and not getting paid for them. Ms. Cox also wanted the Board to check into the possibility of Elementary having a separate calendar because of the Parent/Teacher days.

- III. The following "Items for Information" were presented.
 - A. August 16 Next Regular Board Meeting
 - B) August 9,10,11, Professional Development for Staff
 - C) August 10 Parent Involvement, 4:00 p.m. to 7:00 p.m.
 - D) August 12 First Day of Classes
 - E) August 27-29 OSSBA/CCOSA Conference OKC.
 - F) Mr. Brittain gave the Superintendent's report.
- IV. The following "Items for Action" were considered.
 - A) On a motion by Alan Alexander and seconded by Kerry Harvey the board members voted unanimously to approve the following resolution:

"The Pocola Board of Education hereby authorizes the District Treasurer and/or Business Manager to invest general fund, building fund, CNP fund, sinking fund and building bond fund monies in approved investment options and allow for necessary transfers, repurchase, and liquidation of said investments as necessary to maximize investments and still have the liquidity to manage daily cash needs" (Ref. Pocola Board of Education Policy CDA-resolution must be approved by the Board annually for bank to have in records)

- B) On a motion by Alan Alexander and seconded by Kerry Harvey the board members voted unanimously to approve the renewal of the Quality Zone Academy Bond Lease for the fiscal year ending June 30, 2022 as required under the provisions of the equipment lease purchase agreement dated September 1, 2013 between the District and Zion First Nation Bank (\$200,000 HVAC upgrade) (3 payments left)
- C) On a motion by Alan Alexander and seconded by Kerry Harvey the board members voted unanimously to approve the Annual Procurement Plan for FY2021-2022

- D) On a motion by Alan Alexander and seconded by Kerry Harvey the board members voted unanimously to approve the revision of Board Policy DOAC (Support Personnel, Suspension, Demotion or Termination)
- E) On a motion by Alan Alexander and seconded by Kerry Harvey the board members voted unanimously to approve the adoption of Board Policy EIEDF (Individual Career and Academic Plan)
- F) On a motion by Alan Alexander and seconded by Kerry Harvey the board members voted unanimously to approve the adoption of Board Policy FDAAA (Electronic Signatures)
- G) On a motion by Alan Alexander and seconded by Shane Riggs the board members voted unanimously to approve the revision of Board Policy CI (Disposal of Surplus School Property)
- H) On a motion by Alan Alexander and seconded by Kerry Harvey the board members voted unanimously to approve the adoption of Board Policy DBH (Accommodations for Lactating Employees)
- On a motion by Alan Alexander and seconded by Joe Piovesan the board members voted unanimously to approve the revision of Board Policy BDFB (Healthy and Fit School Advisory Committee)
- J) On a motion by Alan Alexander and seconded by Shane Riggs the board members voted unanimously to approve the adoption of Board Policy BDFD (Healthy and Fit School Advisory Committee/Safe School Committee.
- K) On a motion by Alan Alexander and seconded by Shane Riggs the board members voted unanimously to approve the adoption of Board Policy EJB (Suicide Awareness and Training)

- On a motion by Alan Alexander and seconded by Kerry Harvey the board members voted unanimously to approve closing the 6/30/21 remaining balance of the Sinking Fund to the General Fund with all bond debt resolved and paid off. All remaining Sinking Fund payment remittances will be deposited into the General Fund until bonds are sold and the Sinking Fund is needed. (Amount to transfer: \$14,977.07)
- M) On a motion by Alan Alexander and seconded by Shane Riggs the board members voted unanimously to approve the Statutory Waiver/Deregulation application for library/media services for the three (3) year period beginning with the FY2021-2022 school year.
- N) On a motion by Alan Alexander and seconded by Shane Riggs the board members voted unanimously to table the Student Handbooks for FY2022 (MS/HS and Elementary)

V. EXECUTIVE SESSION

Proposed executive session to discuss and possible action regarding the employment, hiring, appointment, promotion, demotion, disciplining or resignation of any individual salaried public officer or employee, 1) discussion and possible action regarding any resignations received, 2) hiring a Middle School Reading Specialist on a temporary contract for FY21-22, 3) hiring an Elementary Teacher on a temporary contract for FY21-22, (4) hiring a Middle School SPED teacher on a temporary contract for FY21-22, so the board can return to open session and 1) vote to accept or reject any resignations received, 2) vote to hire a Middle School Reading Specialist on a temporary contract for FY21-22, 3) vote to hire an Elementary Teacher on a temporary contract for FY21-22, 4) vote to hire a Middle School SPED Teacher on a temporary contract for FY21-22, as authorized by OKLA. STAT. Title 25, § 307 (B) (1)

- At 6:46 p.m. on a motion by Alan Alexander and seconded by Kerry Harvey the board members voted unanimously to convene into executive session.
- B) At 7:22 p.m. on a motion by Alan Alexander and seconded by Kerry Harvey the board members voted unanimously to return to open session.

- C} STATEMENT OF MINUTES OF EXECUTIVE SESSION
 Mr. Alan Alexander stated the the only ones present in executive were
 himself, Mr. Brittain, Kerry Harvey, Joe Piovesan, Jackie Lewis, Shane Riggs,
 Clint Beesley and Pat Smith. Mr. Alexander also stated that while in executive
 session only agenda item V-D-G were discussed and that no votes were taken.
- On a motion by Alan Alexander and seconded by Shane Riggs the board members voted unanimously to accept the resignation from Melanie Stogner.
- E) On a motion by Alan Alexander and seconded by Shane Riggs the board members voted unanimously to hire Eddie Blankenship as a Middle School Reading Specialist on a temporary contract for FY21-22.
- F) On a motion by Alan Alexander and seconded by Shane Riggs the board members voted unanimously to hire Shay Tompkins as an Elementary Teacher on a temporary contract for FY21-22.
- G) On a motion by Alan Alexander and seconded by Shane Riggs the board members voted unanimously to table the hiring of a Middle School SPED teacher on a temporary contract for FY21-22.
- VI. There was no "New Business" to consider.

VII. At 7:24 p.m. on a motion by Alan Alexander and seconded by Shane Riggs the board members voted unanimously to adjourn.

July 12, 2021

Oklahoma State Department of Education Accreditation Division 2500 North Lincoln Boulevard, Suite 210 Oklahoma City OK 73105-4599

Oklahoma State Board of Education:

This letter is to address the Statutory Waiver/Deregulation Application for Accreditation Standards: 201:35-5-71, 210:35-7-61, 210: 35-9-71 for Library Staffing, Certified Library Media Specialist requirements.

Pocola Schools is a school district of less than 999 students. We are separated into 3 sites (Elementary, Middle School and High School). However, the Middle School and High School are located on the same campus. We will only have one certified library media specialist to cover both libraries. We are asking for a waiver from the requirements and be allowed to use (1) library media specialist and (2) full-time library assistants to cover three (3) libraries for a three year period commencing with the 2021-2022 school year

Included with this letter is a Statutory Waiver/Deregulation Application and Plan, board approved, signed and notarized.

Sincerely,

Jason Brittain Superintendent

OAC 210:35-5-7

NAME OF WAIVER

A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Midway has a certfiled library/media specialist that is also a second grade teacher. Midway currently has approximately 225 students. All teachers have been trained to use the library checkout system and all teachers can take classes to the library at any time for projects and to check out books and materials. If the waiver is denied, Midway will be forced to incur the additional financial repsonsibility of adding another teacher to our district which would allow Midway to have a full time librarian.

B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

The library remains open to all students. All teachers have trraining in use of the library checkout system. Teachers take classes to the library on a regular schedule for projects and to check out materials from the library.

C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

This deregulation has been awarded in the past. Library use has remained at consistantly high levels since being awarded this dergulation.

D.	Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary. N/A
E.	Any financial impact to the District (positive or negative) for the proposed deregulation? If
	positive please describe where the available would be reallocated. This deregulation provides a positive financial impact to the district by allowing the district to not carry the financial responsibility of a full time librarian.
F	Describe method of assessment or evaluation of effectiveness of the plan both for staff and
F.	students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.
	Library use has remained at consistantly high levels since Midway has been granted this deregulation.
* Yc	ou will be contacted if more information is needed to process this request.

MINUTES MIDWAY PUBLIC SCHOOL BOARD OF EDUCATION REGULAR MEETING

July 12, 2021

- 1. Call to order HORSLEY CALLED MEETING TO ORDER AT 7:00 p.m.
- 2. Record of attendance ALL MEMBERS PRESENT.
- Citizens hearing

Anyone desiring to address the Board shall register with the minutes clerk, not less than ten (10) minutes before the meeting is called to order and shall provide in writing (form provided) the name and address of the person who will be addressing the Board, the agenda item(s) they wish to address and if applicable, the organization for which they are appearing or with whom they are affiliated.

NONE PRESENT.

4. Consent Agenda

All items of a routine nature normally approved at Board meetings, will be approved by one vote unless a Board member desires to have a separate vote on any or all of these items. The consent agenda consists of the discussion, consideration and approval of the following items:

- a. Minutes of the June 14, 2021 Regular board meeting
- b. Minutes of the June 28, 2021 Special board meeting
- c. Activity fund report
- d. General fund report
- e. Building fund report

f. Sinking Fund report SKILES MADE THE MOTION SECONDED BY RAY TO APPROVE THE CONSENT AGENDA AS PRESENTED, ALL AYES.

- 5. Action on General fund encumbrances # 01 to 29 .
 RAY MADE THE MOTION SECONDED BY DURRETT TO APPROVE THIS AGENDA ITEM AS PRESENTED, ALL AYES.

Bruce Douglas, Superintendent

Oklahoma State Board of Education 2500 N Lincoln Blvd. Oklahoma City, Ok 73105

Dear Members of the State Board of Education:

The Midway Public School District (491027), is requesting a waiver/deregulation that will allow Amanda Myers to provide the district's Library Media Services. Due to lack of applicants our district will not been able to hire a full time individual to provide the district's Library Media Services at this time. Mrs. Myers currently maintains a certification to be a Library Media Specialist and will fulfill time in the library, however, her main duty for the district will be as a second grade teacher.

As the Superintendent of the Midway Public School district, I am asking you, the members of the State Board of Education, to help our district with your approval of this waiver/deregulation. Our school district would appreciate your consideration, so that we can better serve and meet the needs of the students in our district.

If you have any questions, please, feel free to contact me as 918-474-3434 ext. 1005 or email me at bdouglas@midway,k12.ok.us.

Sincerely,

Bruce Douglas, Superintendent Midway Public School

*Original signatures are required. The attached questions	naire must be answered to process.**	NAME OF WAIVER

A. Reason for the waiver/deregulation request (be specific).
The Oklahoma School for the Deaf librarian retired In June 2021. It is very difficult to find a librarian who can communicate fluently in American Sign Language. I am requesting a deregulation based on OAC 210:35-5-71, OAC 210:35-7-61 and OAC 210:3-9-71 in order to place a teacher in the position of library media services for the school 2022.
B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.
It is imperative for a librarian at the Oklahoma School for the Deaf to be able to communicate with students. I would like for the teacher in this position now to continue to serve as librarian. She is fluent in American Sign Language, is familiar with library operations and our students. She will serve as a full-time librarian.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

The Oklahoma School for the Deaf has one major site with around 100 students. It also has one other preschool site located in Chickasha. If deregulation is granted, I believe the educational impact will be positive because the teacher is familiar with the students and the library and is fluent in American Sign Language. She will be able to serve our students with continuity. The one off campus will not be effected. The preschool program have their own library services and are located on a university campus where library services are available, although the Oklahoma School for the Deaf's main campus librarian helps when needed.

Oklahoma School for the Deaf

August 12, 2021

Oklahoma State Department of Education Accreditation Standards Division 2500 North Lincoln Boulevard, Suite 201 Oklahoma City, Oklahoma 73105-4599

This is to request for a statutory deregulation (OAC 210:35-5-71, OAC 210:35-7-6, and

OAC 210:35-9-71) for library media specialist at the Oklahoma School for the Deaf. All of the staff at the Oklahoma School for the Deaf is required to use American Sign Language (ASL) for direct communication with the students and their families.

Different positions are required different skill levels. The library media specialist is required to sign at an advanced level. It is extremely difficult to find a library media specialist who can sign at this level; therefore, I am requesting that I be able to place the certified teacher currently filling this position as the library media specialist.

The teacher who I plan to place in the library position is certified in Deaf education, signs at the advanced level of ASL, has 7 years teaching elementary, 4 years teaching middle school and 3 years teaching high school. If the deregulation is approved, she will continue as the full-time librarian at the Oklahoma School for the Deaf, in the same capacity as the previous librarian who retired.

Sincerely,
Chris Dvorak
Superintendent

*Original signatures are required. The attached questionnal	re must be answered to process.**	NAME OF WAIVER

A. Reason for the Waiver request. Please include circumstances which necessitate hiring a non certified library media specialist. What alternative means will be employed if your waiver is denied? Where is the applicant is as it pertains to their pursuit of their course of study? What percentage of your student population will benefit from the waiver if approved? Despite every effort to find a certified library media specialist our district has not been able to. We have staffed our librarian with a certified teacher that is attempting to gain her library media services certification. The applicant has begun her course of study and anticipates completion of her program in 2023. This will benefit approximately 30% of our elementary population

B. List alternate strategies/plans which the district/site proposes. How does this plan best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement? Please list any negative impact if the waiver were to be denied. The district plans to employ a certified teacher that has served in this role previously. She has a great understanding of the operation of the library as well as facilitating a love of reading for all students. This teacher also assists with SFA (success for all) which is a site wide reading program. If this application were to be denied the district would have to receive a deficiency as there are no other options available at this time. There is also a part time aid that splits time with the certified teacher to ensure that the library is always made available for students.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

This employee is shared between two elementary sites Winds West and Greenvale. This has been done before and has seen positive results with the student populations from both sites.

D.	Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary. See Attached.
E.	Any financial impact to the District (positive or negative) for the proposed waiver/deregulation? If positive please describe where the available would be reallocated. There is no financial impact to the district as the teacher employed for this position is a certified elementary teacher and the district is employing a full time aid as required by 210: 35-5-71.
F.	Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc. The assessment of effectiveness will be RSA assessments, SFA assessments, & STAR benchmark assessments.
	The evaluation of the teacher employed as a librarian will be TLE (Teacher Leader Effectiveness) evaluation.
* You	will be contacted if more information is needed to process this request.

A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Allen Pubic Schools is requesting a 3 year Stautory Waiver/Deregulation of OAC 210:35-5-71 Library Media Services for Allen Pubic Schools PK-12th, regarding a full-time certified librarian. Our last full-time librarian resigned the summer of 2020 and we have been unable to find a certified librarian for the school year FY22. We are continuing to employ a full-time assistant as well as another part-time assistant. We are also paying an extra duty stipend for a teacher to give up their planning period to oversee the libray in that capacity.

B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

Allen Public Schools will continue to provide the best services possible for our students and staff. Our certified teacher will be responsible for organizing and scheduling events for our library such as our book fair, family nights and the maintenance of keeping our library up-to-date with new books and technology. She (Pam Sanders) will be in the library before and after school as well as her planning period assisting our full-time library assistant Gina Alcaida. Mrs. Alcaida will run the daily schedules of students coming to the library and elementary classes coming for library instruction. We will also continue to have student aids and parent volunteers that will help as needed based on what is scheduled. We will continue to promote an appreciation of literature and life-long enjoyment of reading.

C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

The educational effect on student performance levels should be minimal as we plan to keep the library functioning as we always have.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

Our school hours are 8:05-3:05. Our library is open from 7:45 to 3:335 each day. We have a Fall Book Fair and a Spring Book Fair. The library is always open for students to come during and between classes. The elementary utilizes the library with the second (part-time) library assistant by having library lessons during an elective class rotation. Students also utilize the library by taking AR tests and utilizing the computers for research and remediation.

E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

The deregulation will allow Allen Public Schools to utilize our library fully until we can find a certified librarian. We will continue to update our circulations by buying books across the grades and curriculums. We are also investing money into more e-books as our school has gone to 1-to-1.

F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

To evaluate the effectiveness of this plan, library circulation data will be compared for the preceding years against that of this year

August 13, 2021

To Whom It May Concern,

My name is Jeff Hiatt, and I am the superintendent at Allen Public Schools. I am asking for the three-year statutory waiver/deregulation for our Library for the FY 2022-2024. My librarian resigned on July 13th of 2020, and I have not been able to find a certified librarian for replacement.

I currently have a full-time library aide and a part time library aide to fill the hole left until I can find a replacement. I am also having a certified teacher assist, on her planning period this year.

I ask that you consider our circumstances this year and grant us a waiver. Thank you very much for your time and consideration.

Sincerely,

Jeff Hiatt

Superintendent

GROVE SCHOOL 2800 N. BRYAN

SHAWNEE, OKLAHOMA 74804

- A. Grove is a PK-8 school in Pottawatomie County. We are requesting a 3-year deregulation for Library Media Services that would allow us to utilize a part-time library media specialist. Our enrollment is slightly over 500 students.
- B. Grove School has had a part-time library media specialist and a full-time assistant for the past few years. The assistant helps in many ways such as reading to the regularly scheduled library classes and helping students select books. She also checks books and materials in and out and shelves books that students return. The library media specialist prepares lessons for the assistant to teach to students throughout the school. The library media specialist monitors and observes the assistant to ensure that library standards are being taught for all students. The library media specialist continues to order and keep the library circulation up to date. The library assistant helps with the cataloging and processing of new books and materials under the supervision of the library media specialist.
- C. Students continue to stay at or above state level on academic performance. Skills that relate to state library standards, such as research and reference skills, are reinforced with lessons prepared by the library media specialist. The assistant teaches these planned lessons and is very engaged with all of the students. The assistant is observant with the needs of the students.
- D. The library media specialist is available weekly on Wednesday from 8:00 3:00 and Friday mornings from 9:00 Noon. The assistant covers the rest of the classes during the week. However, the media specialist is readily available through phone, text, or email at any time should the library assistant need help or have any questions. The media specialist is also available at other specified times to assist with special events, such as book fair, author visits, etc.
- E. The district saves over \$12,000.00 utilizing this plan. Cost savings are allocated toward other certified personnel, helping us keep class sizes down.
- F. The superintendent and principal visit the library at various times throughout the year. They are aware of lessons and skills taught, regarding state library standards, that are planned by the library media specialist. They too, evaluate the performance of the library assistant and observe her teaching skills and lessons. The library media specialist continues to communicate with the assistant in making sure that she is comfortable with all plans and lessons that she teaches to all students.

GROVE SCHOOL 2800 N. Bryan Shawnee, Oklahoma 74804

August 9, 2021

Oklahoma State Board of Education,

I'm writing to request a statutory waiver/deregulation for library media services for Grove Elementary School District of Pottawatomie County (63-C027). I request the statutory waiver/deregulation for a period of three (3) years, beginning with the 2021-2022 school year. We currently employ a full time library media assistant and a part-time library media specialist. Our enrollment has varied from just below 500 to just above 500 over the past few years.

Thank you for your consideration.

Mark Bowlan
